

# Energy Savers!

Are energy costs zapping you? Find out how you can reduce home energy use and costs in this free program and get a free compact fluorescent light bulb! Learn just how easy it can be to make low-cost, money saving changes in your home. During the workshop, you can work to create a personal path that fits your lifestyle, receive materials on cutting energy use and learn how to apply for low-income utility assistance.

This program is geared to those 55 and older, but all ages are welcome.

Reservations are encouraged. Please call 303-429-5792.
