APPROVAL OF MINUTES

Jefferson County Public Library Board of Trustees Study Session August 11, 2016 – 5:30 p.m. Administration Conference Room

TOPICS:

- Lakewood/LSC Parking Lot Contract Authorization
- New Procedure For Preparing Financial Statements
- Columbine Library Project Architect
- Review Adjustments to 2016 Board Study Session and Meeting Schedule
- Policies: Election Financing Policy/De-accessioned Library Materials and Board Governance Policy 4.1
- Review Budget Presentation

Call to Order

The Study Session was called to order at 5:30 p.m. by Brian DeLaet, Chair.

Trustees present: Julia Hill-Nichols (Vice-Chair), John Bodnar (Secretary), Deborah Deal and Charles Naumer.

Trustees not present: Ben Davis

Guest(s): None

Staff present: Donna Walker, Director of Public Services; Richard Sosa, Director of Budget & Finance; Sandie Coutts, Director of Employee Relations & Development; Steve Chestnut, Director of Facilities & Construction Projects; Pat Klein, Director of Information Technology; Julianne Rist, Assistant Director of Public Services; and Amber Fisher, Executive Assistant, Office of the Executive Director.

Lakewood/LSC Parking Lot Contract Authorization

Steve Chestnut and Richard Sosa presented information on the Lakewood/LSC Parking Lot project and contract. On June 7, 2016 the library issued a Request for Proposal (RFP) for reconstruction of the parking lots, drives, and some of the curb/sidewalks at the Library Service Center and the Lakewood Library. At the Lakewood Library, the project will involve reconstructing the main parking lot, treatment and or replacement of unacceptable soils or sub-base, repair section of concrete drainage pan, repair of selected sidewalk flatwork, removal and replacement of damaged curb and gutter, installation & maintenance of temporary fencing to preclude unauthorized access, traffic control, striping of lot, and painting of handicap designated areas. At the Library Service Center, the project will involve reconstructing the western half of the parking lot, treatment and or replacement of unacceptable soils or sub-base, removal and replacement of damaged curb and gutter, traffic control, striping of lot and painting of handicap designated areas.

A total of three vendors participated in the mandatory walk-thru and bid on this project. After review by the evaluation committee, Martin Marietta was selected as the vendor for this project. The contract with Martin Marietta is not to exceed the price of \$336,553. The funds for this project are budgeted in the 2016 Capital Budget. The current schedule for the project is set to begin in early September and weather permitting, completed in approximately 18 days. Eight of those days will require closing the Lakewood Library; however, limited services (holds pickup and returns) are being planned. In response to a question from the Trustees, Steve Chestnut advised the Board that there is always a potential for change orders and any such orders will be verified against the specifications in the responses to the RFP.

MOTION: Julia Hill-Nichols moved that the Library Board of Trustees authorize the Executive Director to sign a contract with Martin Marietta for the Parking Lot Reconstruction Projects at the Lakewood Library and Library Service Center in an amount not to exceed \$336,553. Seconded by Deborah Deal the motion passed by unanimous vote of all Trustees present.

New Procedure for Preparing Financial Statements

Richard Sosa presented information on the proposed new process to provide financial statements to the Board as quickly as possible. The delay has been in waiting for transactions to close in the JDE system. The proposed approach and process will provide relevant, timely and consistent financial information. At the end of the month, the Library's Finance Department will run month end reports, at the same time every month to establish a data cut off. The financial statements will be prepared, estimates calculated and the tables will be prepared. The financial statements will be provided to the Board the same time they receive the board report (one week before the Board meeting). When the Library receives notification from the County that the books have been closed, the Library Finance Department will reverse the estimates and enter the actuals. The financial reports will be reconciled and major changes will be provided in the Board's red folders at the meeting. In this approach for processing financial information, the use of estimates will be primarily for payroll. For internal monthly financial statements, the use of estimates (accounting accruals) is allowed. The estimate is reversed and cleared away, and replaced by the actual transaction after the County closes its financial books for the month. New or changed information will occur between month end and the date when the County closes its books (approximately 15 days).

The proposed process will provide timely financial information to the Board, eliminate the need to re-schedule the Board meetings one week later in the month and assist and

facilitate in the oversight role to citizens and stakeholders. The benefits to Library Finance includes providing a second review from accounting to analyze, reconcile and adjust transactions through the date the County closes the books; allows Finance to explain, in a structured manner, the changes occurring from the end of the month to County close via a red folder update; and allows Finance to process the financial statements in the same consistent manner, no matter when the County closes the books.

In response to a question, Richard Sosa advised the Board that if the cutoff date falls on a Saturday, Finance will run the report on Friday; if the cutoff date falls on a Sunday, Finance will run the report on Monday. In response to a question, Richard advised the Board that at the Board meeting, the board will receive a report that shows only what changed; only major transactions will be reported, not every nickel and dime. In response to a question, Richard advised the Trustees that the biggest transaction that will occur is the second payroll of the month and the Library has the history of payroll data to use for the estimate.

The Board of Trustees expressed appreciation to Richard for presenting a good solution that gets the Trustees the information they need and that doesn't require rescheduling meetings.

Columbine Library Project Architect

Steve Chestnut and Julianne Rist presented information on the Columbine Library project Architect. Three firms responded to the request for proposal. All three have a lot of depth in their experience. The Library's project team will hold interviews on Monday, August 15, with the three firms and will come to the August 18, Library Board meeting with a recommendation.

Review Adjustments to 2016 Board Study Session and Meeting Schedule

The Trustees reviewed the proposed adjustments to the remaining meetings scheduled for 2016. After some discussion the Chair confirmed consensus that the Board accepts the revised schedule as presented.

Policies: Election Financing Policy/De-accessioned Library Materials

The Trustees reviewed the Election Financing Policy/De-accessioned Library Materials.

MOTION: John Bodnar moved that the Library Board of Trustees adopt the Election Financing /De-accessioned Library Materials Policy as presented. Seconded by Deborah Deal the motion passed by unanimous vote of all Trustees present.

Policies: Board Governance Policy 4.1

The Trustees reviewed Board Governance Policy 4.1. After some discussion the Chair confirmed consensus that the Library Board of Trustees agreed to uphold Governance Process Policy 4.1: Governing Styles and Values as adopted at the May 19, 2016 Library Board Meeting.

Review Budget Presentation

The trustees reviewed the speaking points and presentation for the budget meeting with the Board of County commissioners. Brian will introduce Richard Sosa to the Board of County Commissioners. Amber Fisher will provide background information to the Chair.

In response to questions from the Trustees, Richard Sosa and Donna Walker advised the Board that background information on the budget items will be available at the August 29, 2016 budget presentation meeting, including bullet points for the Edgewater project. In response to a question from the Trustees, Amber Fisher will send the Board the Fehringer Ranch report.

ADJOURNMENT

The study session was adjourned at 6:12 p.m.

John Bodnar, Secretary

Minutes of the Meeting of the JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

August 18, 2016

CALL TO ORDER – REGULAR MEETING

The regular meeting of the Jefferson County Public Library Board of Trustees was held in the Standley Lake Library meeting room on August 18, 2016. Library Board of Trustees Vice-Chair, Julia Hill-Nichols called the meeting to order at 5:33 p.m. Other Trustees present: John Bodnar (Secretary), Ben Davis, Charles Naumer and Deborah Deal.

Trustees not present: Brian DeLaet

Guests: Sarah Washburn, City of Arvada; Peg Hooper, Manager, Standley Lake Library & Adult Services and Jana Kelly, Adult Services Coordinator.

Staff present: Pam Nissler, Executive Director; Sandie Coutts, Director of Employee Relations and Development; Pat Klein, Director of Information Technology; Richard Sosa, Director of Budget & Finance; Julianne Rist, Assistant Director of Public Services; Steve Chestnut, Director of Facilities & Construction Projects; and Amber Fisher, Executive Assistant, Office of the Executive Director.

APPROVAL OF AGENDA

MOTION: John Bodnar moved that the Library Board of Trustees approve the agenda with the addition of a presentation by John Bodnar under item 15, Information. Seconded by Charles Naumer the motion passed by unanimous vote of all Trustees present.

APPROVAL OF MINUTES

MOTION: Charles Naumer moved approval of the minutes of the July 14, 2016 Study Session. Seconded by Ben Davis the minutes were approved by unanimous vote of all Trustees present.

MOTION: John Bodnar moved approval of the minutes of the July 21, 2016 Board Meeting. Seconded by Charles Naumer the minutes were approved by unanimous vote of all Trustees present.

PUBLIC COMMENT

No Public comment.

GREENWAY TRAIL PRESENTATION

Sarah Washburn, Senior Landscape Architect, with the City of Arvada presented information on the Standley Lake Trailhead project. The Rocky Mountain Greenway Trail project is a result of the America's Great Outdoors Initiative to improve access to public lands, raise environmental awareness and promote active living. The vision is to connect the three metro-area National Wildlife Refuges with a continuous multi-modal trail and eventually expand to Rocky Mountain National Park. The focus is on improving regional connections by closing gaps with strategic projects and link communities together through a sequence of public lands and use existing trails as possible. The project team consists of the Office of the President of the United States, the U.S. Department of the Interior, the State of Colorado, the U.S. Department of Transportation Federal Highway Administration, U.S. Fish and Wildlife Service, the cities of Arvada, Broomfield and Westminster, Jefferson County Public Library (JCPL), Farmers Reservoir and Irrigation Company (FRICO), and the Farmers Highline Canal and Reservoir Company. The project began in 2012 with the project vision inception followed by a feasibility study in 2013. In 2014 the schematic design, federal grant funding and water authority approval was initiated. In 2015 the construction design, JCPL Board presentation, GOCO (Great Outdoors Colorado) Grant Application, and Water Authority approval process were completed. Funding was not received for the project; however, the team is ready to move forward again and is pursuing another GOCO grant. On June 4, 2016 there was a Dedication Ceremony for the proposed trailhead site. The proposed trailhead physical improvements include addressing the trail access, shared parking, public conveniences, education and interpretation (crosspromotional opportunities, Library and programming promotion) and accommodating possible future Library parking expansion. Information on the Standley Lake Library parking lot use assessment, anticipated initial construction costs and anticipated annual operation costs was presented. Next steps were outlined and included formalizing intergovernmental agreements, obtaining letters of commitment and support, and submitting the Grant by November 3, 2016. In the spring of 2017 it is anticipated that grant awards will be announced in April 2017, at which time the team would solicit final design services proposals. The summer of 2017 through the summer of 2018 would include final design, construction bidding, construction and grand opening.

In response to a question from a Trustee, Sarah advised the Board that details on what might be placed at the trailhead have not been determined; however, the presentation included pictures of possible trailhead structures and the Board was provided with hard copies. In response to a question from a Trustee, Steve Chestnut advised the Board that the Library would not irrigate property beyond what is currently being done at Standley Lake Library. In response to a question from a Trustee, Sarah Washburn advised the Board that it was not expected that the Library would provide lighting for any distance along the trail and that any lighting at only the trailhead had not been determined. The Trustees expressed their appreciation and confirmed consensus on their continued support of the project. Sarah Washburn will work with Amber Fisher on a draft letter of support for Board review. It is anticipated that a draft intergovernmental agreement will be presented to the Board in September and is currently being reviewed by the County Attorney's office.

FOUNDATION REPORT

Jo Schantz reported on the activities of the Foundation. The Foundation held a book sale in the atrium at the County building on August 4 and 5. The sale did not make big money but it was a good public relations vehicle. The Foundation will hold a book drive at the Federal Center on September 15 and 15. A pilot program at the Arvada Library started with Leaf Books, a book recycling company that picks up and recycles books with a portion of the money going to the Foundation. In response to a question from a Trustee, Jo advised the Board that the Whale Sale is scheduled to begin on October 20.

HOST REPORT

Peg Hooper, Standley Lake Library & Adult Services Manager, and Jana Kelly, Adult Services Coordinator, provided the host report. Adult Outreach Book a Librarian services fulfilled 554 appointments since the beginning of the year which represents a 50% increase from the same time frame last year. Technology appointments saw a 67% increase. Although technology questions continue to dominate, other questions include helping authors' research, resume and online application help, showing business customers how to build mailing lists or a list of potential power partners and genealogy help. A patron's comment about the service was shared: "I booked a librarian and she trained me and my staff how to use the system and Reference USA in only hours. I have taken that list and created new customers, referral partners and community friends." The Adult Services team has been actively increasing visibility in the community and developing relationships with community leaders. Some of the events the team attended include Ed Perlmutter's Boomer Job Fair, the Mountain Area Job Fair, Bike to Work Day, Sustain Arvada, Eaton Senior Communities, Chamber Events, Rocky Mountain College of Art & Design (RMCAD), Colorado Christian University (CCU) and the Colorado School of Mines. Overall the Standley Lake Library has seen a 15% increase in visits, circulation is up 10% and new card holders are up 22%; demonstrating increases in key success indicators. The number of programs offered is up 52%, program attendance is up 80%, the number of story times is up 85% and story time attendance is up 68%. In response to a question from a Trustee, Janna Kelly advised the Board that the increase in appointments for the Book a Librarian service is most likely related to increased awareness of the service. The increase may also reflect the need for technology education for older adults. The Trustees thanked Peg and Jana and expressed appreciation for their work.

SENIOR MANAGEMENT TEAM (SMT) OPERATIONAL UPDATES Executive Director Update

Pam Nissler, Executive Director, provided an update to the Board. The Executive Director advised the Board that an updated 2017 budget PowerPoint presentation is included in the meeting materials. The Senior Management Team is working on a request from the Board of County Commissioners (BCC) to tie the Library's 2017 business cases to the BCC's new vision, values and goals. That document will be provided to the Board in advance of the 2017 budget presentation to the BCC scheduled for August 29.

Finance Department

Monthly Financial Report

Richard Sosa, Director of Budget and Finance provided information on the activities of the Budget and Finance Department. Richard advised the Board that the County closed its books for the month of July yesterday (August 17). The Board was provided with updated information (Table 3) identifying the variances that occurred. Every month the Finance Department will be looking at payroll adjustments and the fleet transactions. Fleet transactions include maintenance, lease and fuel charges. In response to a question from a Trustee, Richard advised the Board that the fund balance reflects the difference between revenues and expenses. The Library has collected more revenue at this point in time than there are expenses at this point in time. This will even out as the year moves along and expenses are incurred and recorded.

Audio Visual Materials Contract

MOTION: Deborah Deal moved that the Library Board of Trustees authorize the Executive Director to sign a contract with Midwest Tape, for Audio Visual Materials and related services in an amount not to exceed two million dollars. Seconded by Charles Naumer the motion passed by unanimous vote of all Trustees present.

Evergreen Library Condensing Unit

MOTION: Charles Naumer moved that the Library Board of Trustees authorize the Executive Director to sign a contract with Building Technology Systems for replacement of the Evergreen Library Condensing Unit in an amount not to exceed \$86,052. Seconded by Ben Davis the motion passed by unanimous vote of all Trustees present.

Columbine Remodel Architect

MOTION: Ben Davis moved that the Library Board of Trustees authorize the Executive Director to sign a contract with Humphries Poli Architects for architectural and design services for the Columbine Library renovation and remodel project in an amount not to exceed \$290,775. Seconded by John Bodnar the motion passed by unanimous vote of all Trustees present.

CONSENT AGENDA

The Trustees reviewed the proposed 2017 Board Study Session & Board Meeting Schedule. The Vice-Chair confirmed consensus that the Board reviewed and accepted the proposed 2017 Board Study Session and Meeting Schedule as presented.

EMERGING ISSUES

Update from Policy Governance Committee

Trustees Naumer and Hill-Nichols, members of the Policy Governance Committee, advised the Board that they met and discussed some of the things that came up during the policy governance training session. The committee will be meeting with Pam Nissler to discuss and clarify objectives.

Vice-Chair Calls for Special Meeting – September 8, and Cancellation of Study Session

The Vice-Chair advised the Board that the September 8, 2016 Study Session would be cancelled and a Special Board meeting would be called for that date. It is anticipated that the Board will go into Executive Session to consult legal counsel regarding the Arvada Library site. Official notice of the meeting will be issued.

Governing Policies: Management Limitations (Monitoring Reports)

Policy 2.5: Financial Planning, Budgeting

MOTION: John Bodnar moved that the Library Board of Trustees accept the Library Director's interpretation of Policy 2.5: Financial Planning, Budgeting as presented. Seconded by Charles Naumer the motion passed by unanimous vote of all Trustees present.

Policy 2.6: Compensation and Benefits

MOTION: Ben Davis moved that the Library Board of Trustees accept the Library Director's interpretation of Policy 2.6: Compensation and Benefits as presented. Seconded by Charles Naumer the motion passed by unanimous vote of all Trustees present.

Policy 2.7: Executive Director Succession

MOTION: Charles Naumer moved that the Library Board of Trustees accept the Library Director's interpretation of Policy 2.7: Emergency Executive Director Succession as presented. Seconded by John Bodnar the motion passed by unanimous vote of all Trustees present.

Policy 2.8: Board Awareness and Support

MOTION: Deborah Deal moved that the Library Board of Trustees accept the Library Director's interpretation of Policy 2.8: Board Awareness and Support as

presented. Seconded by Ben Davis the motion passed by unanimous vote of all Trustees present.

Policy 2.9: Materials Selection

MOTION: John Bodnar moved that the Library Board of Trustees accept the Library Director's interpretation of Policy 2.9: Materials Selection as presented. Seconded by Charles Naumer the motion passed by unanimous vote of all Trustees present.

BOARD SCHEDULE – NEXT MEETINGS

- August 29 Library Budget Presentation 1:15-2:15 BCC Board Room
- September 1 BCC & BOT Quarterly Meeting 10:00-11:00 5th Floor
- September 8 Study Session CANCELLED
- September 8 Special Board Meeting 5:30 pm Belmar Library Meeting Room
- September 15 Board Meeting 5:30 pm Belmar Library Meeting Room, 555 S. Allison Parkway, Lakewood
- October 13 Study Session 5:30 pm Administration Conference Room
- October 20 Lakewood Library Meeting Room:
 - o Joint Library Board, Foundation Board & Friends Council Meeting, 4:45-5:30 pm
 - Regular Library Board Meeting, 5:45 pm Lakewood Library Meeting Room
- November 10 Board Meeting 5:30 pm Administration Conference Room
- December 8 Board Meeting 5:30 pm Lakewood Library Meeting Room

ANNOUNCEMENTS/GENERAL INFORMATION SHARING

On behalf of the Board, Julia Hill-Nichols expressed condolences to Pam Nissler on the recent loss of her brother and mother.

Trustee Bodnar presented the Library with the official silver shovel for winning the City of Arvada's Sand and the City sand sculpture competition. As the winning team, the Library gets to keep the shovel until next year's event. The Library's reading fantasy sculpture reflected outstanding design elements and was one of the tallest sculptures ever presented at the event. The Board expressed appreciation to the staff and volunteers for representing and promoting the Library.

ADJOURNMENT

The Board meeting was adjourned at 6:55 p.m.

John Bodnar, Secretary

FOUNDATION REPORT

FOUNDATION EXECUTIVE DIRECTOR REPORT SEPTEMBER 2016 (AUG. 19 – SEPT. 15) By Jo Schantz

1) Fundraising and events

- Book drive at the Federal Center -- Wed/Thur, September 14/15, 8 a.m. to 1 p.m.
- Whale of a Used Book Sale Oct. 20-23, Jeffco Fairgrounds
- 2016 Holmes for the Holidays gala benefit on Nov. 17
- Holiday Book Sales Dec. 2/3 at Columbine Library; Dec. 10/11 at Standley Lake; month-long book and gift sale at Belmar (month of December)
- Sept. 2 meeting with **major donors** Allison B. and Warren R. re: supporting a new project -- an outdoor active learning center at Standley Lake Library; **\$10,000 donation secured**

2) Meetings and networking

- A. Aug. 19 lunch meeting with Jessica Nichols from Pinkard Construction; confirmed sponsorship of the 2016 Rare & Novel event
- B. Aug. 23 meeting with Carol Miller, major donor officer, re: planned giving and donor cultivation
- C. Aug. 24 meeting with Rebecca Winning (Library) to discuss and plan written nomination of JCPL for the National Medal for Museum and Library Services award and prize monies
- D. Aug. 25 meeting with Laura Kepler (Friends Council Pres.) to discuss further assistance and involvement by the Friends of the Library (re: book sales, Rare & Novel Event, etc.)
- E. Aug. 30 meeting with Library Trustee Benjamin Davis to discuss networking and funding opportunities
- F. Aug. 30 meeting with Bill Knott to plan the New Board Member Orientation (at end of September)
- G. Aug. 31 conference call with Rebecca Winning and Pam Nissler to discuss naming opportunities and the naming guidelines for Standley Lake Library projects
- H. Aug. 31 meeting with Bethany Candelaria (new graphic designer) re: Rare & Novel event logo and marketing materials
- I. Sept. 7 September Library and Foundation Senior Management Team meeting
- J. Sept. 8 meeting with Jeffco Sheriff's Deputy JJ Smith and Amber Luttrell (Sheriff's Dept. PR) to review and discuss script for the Rare & Novel evening's entertainment
- K. Sept. 9 meeting and site visit with Aaron Karlstrum, Community Development Specialist (from the Jeffco Community Services Advisory Board)
- L. Sept. 9 Program & Events Committee meeting at the Foundation
- M. Sept. 12 first reading of the script for Rare & Novel Event (with actors from Colorado ACTS)
- N. Sept. 13 Wheat Ridge Business Association breakfast meeting
- O. Sept. 13 check presentation at Pleasant View Elementary School (for Summer Reading program)
- P. Sept. 14 participated in Good News Breakfast Steering Committee meeting

Q. Sept. 14 – monthly Friends Council meeting at Lakewood Library

3) Communications and outreach

- A. Continued meetings with Library staff to discuss end-of-year donation campaign
- B. Public presentations
 - A. August 26 for Evergreen Rotary
 - B. Upcoming: September 20 for Arvada Sunrise Rotary

4) General Administration

- A. Jo Schantz vacation Sept. 1
- B. Launched sponsorship solicitations for 2016 Rare & Novel benefit (3 sponsors confirmed to date)
- C. Prepared agenda for the Program & Events Committee meeting on September 9
- D. Mapped out New Board Member Orientation for late September (with Bill Knott)
- E. Continued research and meetings (per the Strategic Plan and Business Plan) for future Foundation office& warehouse relocation

Operational Updates

Executive Director Update

administration 10200 W. 20th Ave. Lakewood, CO 80215 303.235.5275

jeffcolibrary.org

To:	Library Board of Trustees
From:	Pam Nissler, Executive Director
Re:	Executive Director Update – September, 2016

Last month, I participated in the interviews of the finalists from architectural firms and construction firms. The selection of these two partners completes the Columbine remodel team.

I found some time to get out to our libraries and talk to staff. It was wonderful to be back in touch and especially to meet some of our new staff. Good things are happening in our libraries.

I participated in awarding checks and trophies at Oberon Middle School and Addenbrook Classical Academy, two of the winning schools in our summer reading contest. It was very rewarding to see how proud the faculty and the principals were of their students' achievement. I thank all of you for donating the funds to allow us to reward these schools. The kids were thrilled to find out that they won.

Along with Jo Schantz and Donna Walker, I met with two potential donors to discuss the project that they wished to fund.

Rebecca Winning and I gave a tour of the Golden Library to two staff members from Ed Perlmutter's office. They were interested to learn about our new service model and our programs such as the DIY lab.

I attended demonstrations of ways to conduct a marketing survey by two companies that have bid on the project.

In addition, I participated in the following regular meetings

- The metro directors lunch
- Monthly meeting with Ralph Schell
- The elected officials personnel board meeting
- Breakfast meeting with Brian and Julia

SENIOR MANAGEMENT TEAM (SMT) OPERATIONAL UPDATES

Finance Department

- to: Pam Nissler, Executive Director

- re: Finance Monthly Report
 - Financial Report
 - Self-Check Systems and Annual Maintenance
 - Demographic Study (Market Analysis)
 - Columbine General Contractor

date: September 15, 2016

A. Financial Report

This financial report presents year-to-date actual revenue (sources) and expenses (uses) and financial comparative year over year through August 31, 2016 for Jefferson County Public Library (JCPL). The information presented is from the Library general fund in JDE (Jefferson County Financial System) and includes both operating and capital transactions. This report is composed of this narrative, a summary of the Library Fund (Table 1); Changes to Library Fund Balance (Table 2); Library operating sources and uses (Table 3); Library debt service (Table 4) and Library capital projects and annual maintenance and repair (ARMs) (Table 5).

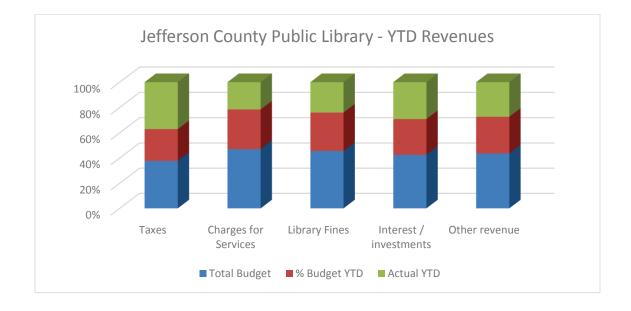

Overview

JCPL projected Ending Fund Balance as of YTD August 31, is \$13.3 million up 18% from the beginning of the year. The projected fund balance is actual year to date plus adjusted projections to the end of the year. If we ended the year at this moment in time, the Fund Balance would increase by \$17.9 million dollars because revenue collected have outpaced expenses by 52% (for this point in the year). As reported in August, actual revenue collected is higher than expenses, due primarily to the faster pace of property tax revenue collected compared to expenses for this point in the year. There are capital project spending on deck and finance has a dedicated project management resources to keep capital projects on schedule (Table 2).

Revenues (sources)

Total actual revenues, primarily Property Tax, through August have outpaced actual expenses, \$34.7 million compared to \$16.8 million in expenses (Table 1). Through the year revenues and expenses should even out to reflect the planning that created in the budget. The following chart shows the total budget; budget as percent of year to date; and the actual revenues year to date. The middle bar in the graph is the percent of budget through August as a comparative to actual revenues collected through August.

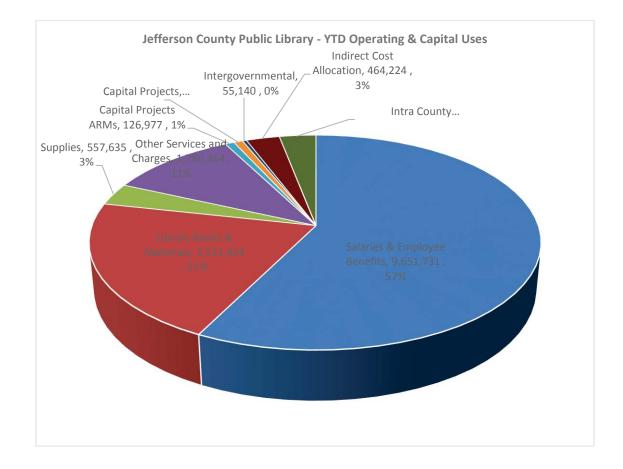

Revenues are projected using the actual collection rate; average actual compared to averaged budget and a review of the account line compared to same time last year.

Expenses (uses)

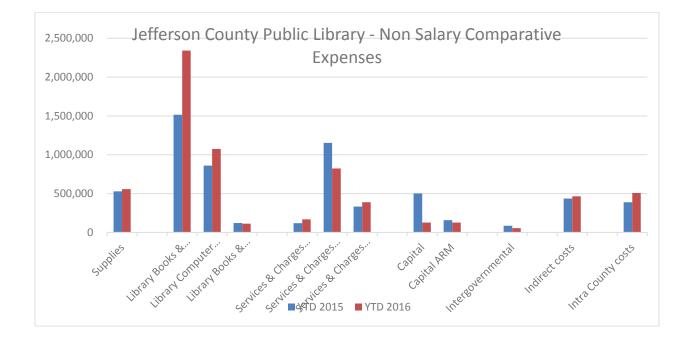

Salaries and benefits expense through August year-to-date total \$9.6 million or 41% of the budget spent and 67% of the year completed. Actual and Projected Salary and Benefit expense is currently tracking at \$16.4 (very close to budget). Actual expenses for operating (Table 3) and capital (Table 5) year to date, total \$7.2 million (see chart below). Projected and actual expenses combined for operating and capital expenses is currently is \$30.8 million. Projection to actual expense is lagging from our target budget due to the current level of project spending.

The largest investments (uses) is in staff resources and Library books and materials, both are fulfilling our promises to the community for expanded services. As more capital projects become active, capital project uses should increase in the following months. In the fourth quarter of the year, there should be a transfer to the County for the Library's portion of debt service of \$1.6 million. There is a current budget amount set aside but no year to date transactions to report (Table 4). A comparative year over year for non-salary and benefit uses is below. While each year is distinctive in its pacing and spending pattern, comparing the two years assists Finance to discern patterns for the current year.

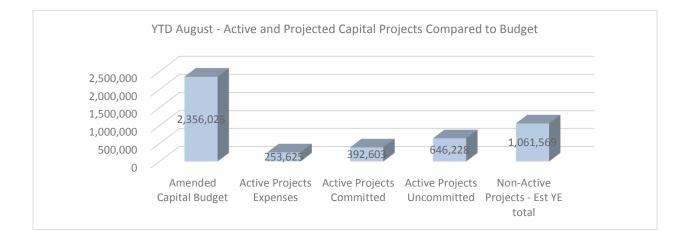

Library books and materials expenses are now 41% higher, compared to August last year. Supplies, intergovernmental, indirect cost and intra county costs and annual capital maintenance (ARM) are comparable to the prior year. Capital projects actual expenses are tracking lower compared to the prior year and consequently related expenses for professional services are also slower compared to 2015. In 2015, by August last year, the Golden Library remodel had expensed over \$300,000 and Capital ARMs expenses were \$158,166 compared to \$127,977 in 2016.

Capital Projects

All capital projects are assigned a business unit to segregate and track the expenses within that budget. In 2016, the Library has a budget of \$1.1 million for annual capital repair and maintenance (ARMs) of which \$126,977 has been used year to date (no change from the prior month). Also, there is a total amended budget of 1.2 million for Library capital projects, the two largest being Lakewood Library parking replacement \$373,000 and Evergreen Library AHU rebuild \$140,000 (Table 5). A number of non-ARM capital projects are underway as well and the expenditure pace for these project transactions is anticipated to increase. The chart below enhances the executive view of capital projects by comparing the budget to actual expenses, actual project commitments (contracts, POs or encumbrances); active projects with uncommitted balances and projects planned but not yet begun.

Changes from August 31 and when the County closes its monthly financial statements will be identified in the BOT Red Folder. This report has two actual posted payrolls and no estimate was required. The major changes anticipated for the Red Folder should be fleet and intra-departmental allocations.

B. Self-Check Systems and Annual Maintenance

JCPL has a 2017 budget of \$250,000 for the replacement of the RFID and Self Check Stations. In early 2016, it was determined that the current Self Check machines, with credit card readers, do not meet current Payment Card Industry (PCI) standards. In August, JCPL invited and received three proposals for the replacement of the Self Check Stations within all the libraries. The goal was to determine if any portion of this critical project could be under taken in 2016. The proposals ranged from \$350,000 to \$475,000. Vendor demonstrations for these systems are scheduled for September 6, 2016. The budget for this project is in the 2017 budget and depending on the final scope of the project, funding will come from Library contingency funds.

Action Item:

Recommend that the Library Board of Trustees authorize the Executive Director to sign a contract with a successful bidder for RFID and Self Check Stations including maintenance support for an amount not to exceed \$475,000.

C. Demographic Study (Market Study)

In July and August of 2016 an RFI was put out for a demographic study / Market analysis software tool. There were two bids. In August, both vendors were reviewed. No vendor selection has been made. The range of cost is \$25,000 to \$58,083. The current budget for this project is \$30,000 with additional funding from unspent operating budgets in the amount not to exceed \$58,100. By the date of the regular BOT meeting, all relevant data will be provided in the Red Folder.

Action Item:

Recommend that the Library Board of Trustees authorize the Executive Director to sign a contract with the successful bidder selected for the Demographic and market analysis software in an amount not to exceed \$58,100.

D. Columbine Remodel General Contractor

In July 2016, a Request for Proposal (RFP) was issued for the services of a General Construction Contractor for the Columbine remodel project. In August, a contractor walk through was conducted for interested vendors. The project team members of the selection committee reviewed and scored eleven vendors from the proposals. Total project cost bids or estimates were not requested for this stage of the procurement process. A final general contractor selection will occur after September 8 and total bid amounts will also be available to the selection committee. The total range of costs for these services cannot be determined as of this writing. Additional information will be added to the Red Folder in advance of the regular Board meeting. The funds for the construction portion of this project are budgeted in the 2017 Capital Budget. There are funds in the 2016 budget for planning. The time table of work may change as the Architect and Contractor begin working together, necessitating a priority change of projects planned in 2016.

Action Item:

Recommend that the Library Board of Trustees authorize the Executive Director to sign a contract with the final selected successful bidder for General Contractor services for remodel services for the Columbine Library. The amount range and not to exceed amount will be known on September 12th and called out to the Trustees in the Red Folder. Construction is scheduled to occur in 2017. There is a 2017 construction budget and a 2016 project planning budget for this project.

- to: Pam Nissler, Executive Director
- from: Richard Sosa, Director of Finance & Budget
- re: Finance Monthly Report
 - Financial Report Update since August 31, 2016
 - Self-Check Systems and Annual Maintenance
 - Demographic Study (Market Analysis)
 - Columbine General Contractor

date: September 15, 2016 (RED FOLDER UPDATE)

A. Financial Report

This financial report presents the changes from the financial report dated August 31, 2016 to September 14, 2016 County close data for the month ending August 31, 2016. A summary of the Library Fund (Table 1) shows material changes that occurred since the last report (Attached Table 1)

B. Self-Check Systems and Annual Maintenance

JCPL has a 2017 budget of \$250,000 for the replacement of the RFID and Self Check Stations. In early 2016, it was determined that the current Self Check machines, with credit card readers, do not meet current Payment Card Industry (PCI) standards. In August, JCPL invited and received three proposals for the replacement of the Self Check Stations within all the libraries. The goal was to determine if any portion of this critical project could be under taken in 2016. An analysis of use data was conducted to determine the number of units needed. The proposals ranged from \$350,000 to \$475,000. Vendor demonstrations for these systems are scheduled for September 6, 2016. On September 14, 2016 Biblioteca Inc was selected as the vendor to replace RFID and Self Check Stations. The budget for this project is in the 2017 budget and the final scope of the project. may require phasing. Funding will come from 2016 Library contingency funds.

Action Item:

Recommend that the Library Board of Trustees authorize the Executive Director to sign a contract with Biblioteca Inc. for RFID and Self Check Stations including maintenance support for a five year contract in an amount not to exceed \$570,676.

C. Demographic Study (Market Study)

In July and August of 2016 an RFI was put out for a demographic study / Market analysis software tool. There were two bids. In August, both vendors were reviewed. <u>On September 12</u>, 2016 OrangeBoy was selected as the vendor. The cost is \$58,083. Our decision to use OrangeBoy is based on their ability to offer a more full service option. We believe this is the best option for JCPL due to their overall ability to meet the objectives of our RFP and our current organizational capacity.

The current budget for this project is \$30,000 with additional funding from unspent operating budgets in the amount not to exceed \$58,100.

Action Item:

Recommend that the Library Board of Trustees authorize the Executive Director to sign a contract with the successful bidder, OrangeBoy, for the Demographic and market analysis software in an amount not to exceed \$58,100.

D. Columbine Remodel General Contractor (Update italicized and underlined)

In July 2016, a Request for Proposal (RFP) was issued for the services of a General Construction Contractor for the Columbine remodel project. In August, a contractor walk through was conducted for interested vendors. The project team members of the selection committee reviewed and scored eleven vendors from the proposals and <u>interviewed four companies</u>. <u>General Contractor Fransen</u> <u>Pittman was selected on September 13, 2016 as the general contractor and the total contract amounts is \$178,499</u>. The funds for the major construction portion of this project are budgeted in the 2017 Capital Budget. There are funds in the 2016 budget for planning and the time table of work may change as the Architect and Contractor begin working together, necessitating a priority change of projects planned in 2016.

Action Item:

Recommend that the Library Board of Trustees authorize the Executive Director to sign a contract with the final selected successful bidder Fransen Pittman, for General Contractor services for remodel of the Columbine Library not to exceed \$178,499. Construction is scheduled to occur in 2017. There is a 2017 construction budget and a 2016 project planning budget for this project.
