literacy, education, workforce development,
economic development, digital literacy and
lifelong learning.

“Our vision for the Evergreen Library Redesign Project is for an updated library that is welcoming to all, where the patron experience is one of absolute delight, and where residents feel respected and understood by the Library. We also want to align the redesign with our mission and vision of a 21st century library, while upgrading and modernizing resources, spaces, technology, mechanical, plumbing, and electrical systems in the building.”

—Donna Walker, Executive Director

EVERGREEN LIBRARY AT A GLANCE

Based on 2022 Statistics.

A LIBRARY WORTHY OF EVERGREEN

Evergreen Library is nestled in an abundance of conifers and old-growth trees. Today, the town of Evergreen boasts an eclectic community and a rich cultural existence that includes local theater, arts, music, and fine dining. The town's pristine jewel – Evergreen Lake – offers boating, paddleboarding, picnicking in the summer, ice skating in the winter and fishing year-round. The Lariat Loop Scenic Byway, Colorado's only urban byway, is filled with cultural, natural and historic landmarks and beautiful mountain homes.

It is in this spirit of harmony between nature and place that we are redesigning Evergreen Library to enhance the space with views of nature, a focus on natural light, open sightlines and natural materials.

WARM. COZY. WELCOMING. COMFORTABLE. NATURAL.

Some things to look for in your newly remodeled Evergreen Library:

Improved Entrance

New Family Place™

Flexible Meeting Spaces

Accessibility

Enclosed Study Rooms

New Furniture

MAKE A GIFT THAT MAKES A DIFFERENCE

These large gifts create a better library for all. The newly reimagined area for kids and their families offers a safe and welcoming environment to connect, discover and create. These spaces are designed to promote early learning and are staffed with library professionals, all of whom work to help give our children their best launch for life.

Children's Area \$10,000

A 2,500-square-foot children's area is where kids and families can develop early literacy skills in a fun and friendly environment. This space has been rethought to include flexible, moveable furniture, a fun interactive environment and better accessibility for our youngest patrons.

Family Place™ \$5,000

Based on a model of comprehensive family-centered services, the Family Place Library is a community destination for early childhood information, parent education, early literacy, socialization and family support. The Evergreen Family Place™ Library is a center for the whole family to build lifelong reading habits and develop early literacy, a place where parental involvement and supportive communities play a critical role in getting kids ready for success.

Story Time Area \$5,000

A Story Time space where children ages 0-5 can learn the skills they need to be ready to read when they enter kindergarten. This space has been moved near the Children's Area and includes a nursing nook. We also help parents and caregivers learn how to reinforce important early learning skills at home, all in an atmosphere of imagination.

TEEN AREA
AT EVERGREEN LIBRARY

Teen Area \$10,000

A designated 300-square-foot teen area gives teens access to age-appropriate resources and collaborative technology. Separated from the main library with a sound-dampening, flexible barrier, teens can be teens in a safe and welcoming environment.

Art Gallery Walls \$3,000 each

Community, Teen and Children's Art Walls

Each of our distinct art gallery walls is curated with art that is appropriate for each audience. The Teen Art Wall encourages budding artists at an important time in their creative exploration. The Children's Art Wall engages and inspires our next generation of creative thinkers and problem solvers. And our Community Art Wall recognizes and celebrates the talent of our region.

NAMING YOUR GIFT

A gift to Jefferson County Public Library is a gift of access for all. Whether you want to give anonymously or give with recognition, we can help you create a legacy that impacts all generations in our community.

Named projects for up to \$10,000 will be recognized for five years. Gifts \$10,000 and above are acknowledged for ten years. At the end of the recognition period you will receive the first right of refusal. Recognition extends beyond signage into reports, websites, and social media.

A PLACE FOR THE COMMUNITY TO COME TOGETHER

In community input sessions, residents told us they want the Library to be more than just a collection of physical and digital resources. They're looking for an inviting space where community members can connect and engage. This redesign provides dedicated spaces where area residents can come together. We've expanded the community meeting room and created flexibility to use the entire space for large meetings or divide the space to accommodate smaller groups. We'll have an art wall where local artists can display their works. We've also increased the number of study rooms to three.

Meeting Room \$5,000

With nearly 1,000-square-feet, this flexible community meeting room area can be closed off to create two smaller meeting rooms as needed. Upgraded technology will accommodate virtual meetings and swaths of natural light make this a great place to meet, collaborate and enjoy.

Technology Access Center \$7,000

A designated area with access to public computers, laptops, software, as well as technology and tools to support business processes such as printing, copying, scanning and faxing. Our Library always includes free WiFi internet access. The modern Library connects us to the digital tools our community needs to compete.

MEETING ROOMS

STUDY ROOMS & TECHNOLOGY ACCESS CENTER
AT EVERGREEN LIBRARY

Study Room(s) \$3,000 - \$5,000

We now have two smaller private study areas with collaborative technology for up to four people. Our larger study room can accommodate up to six people for larger group settings.

Quiet Reading Area \$10,000

A truly unique space for the Evergreen Library. This designated quiet area for reading, study and reflection boasts a cozy fireplace and comfortable furniture to encourage residents to curl up with a good book.

The Hearth \$10,000

The hearth is cherished as a quiet space for reflection and reading. As the focal point of the quiet area, the fireplace creates an ambiance of tranquility desired by the Evergreen community.

WISH LIST OPPORTUNITIES

While the reimagined Evergreen Library will be amazing, our budget didn't allow for everything on our wish list. Evergreen residents love the outdoors! The new design brings natural light and natural material into the library, but we need your help to bring the library outside of the walls. Consider a donation to create beautiful outdoor spaces.

Outdoor Adventure Space \$500,000

An outdoor, exploratory environment where children and families can engage in unstructured play.

Reading Deck \$100,000

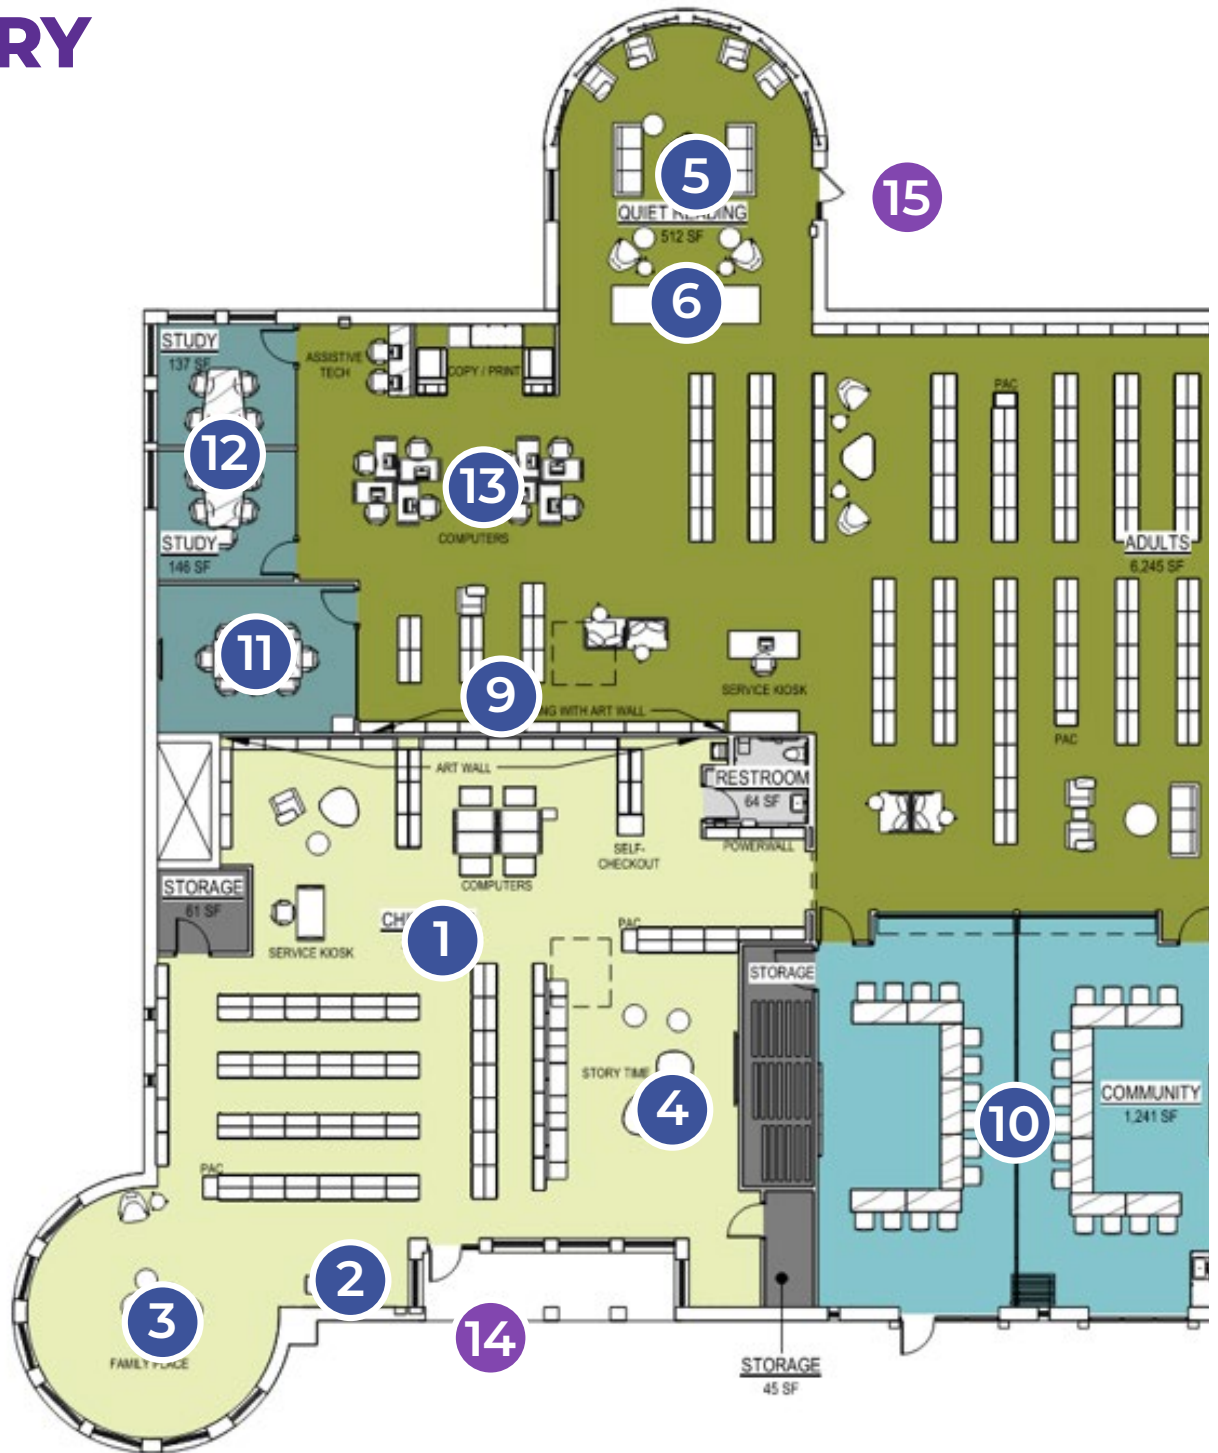

Reading areas on outdoor decks give residents a chance to read, chat or enjoy the fresh air and sunshine. The casual space encourages gathering in a safe and welcoming environment.
