Initial Monitoring on **Policy 2.0: *GENERAL MANAGEMENT CONSTRAINT***

I hereby present my monitoring report on your Management Limitations policy 2.0 “General Management Constraint”, in accordance with the monitoring schedule set forth in Board policy. I certify that the information contained in this report is true.

Date: March 21, 2024

BROADEST POLICY PROVISION

The Executive Director shall not cause or allow any practice, activity, decision or organizational circumstance that is unlawful, imprudent, or in violation of commonly accepted professional ethics and best practices for public library management.

EXECUTIVE DIRECTOR’S INTERPRETATION: I understand this constraint to include all operational activities that occur within the Library. It does not include activities or decisions occurring or made at the Board level.

I interpret “unlawful” to mean I will not fail to insure that all operational activities are within legal requirements as imposed by all relevant governing bodies, including federal, state, county and city statutes and ordinances.

In matters of prudence and ethics, the Board has comprehensively interpreted these concerns throughout the “Management Limitations”. In areas where no specific Board policy exists; I will use the test of “reasonable and prudent” to evaluate the circumstances. In addition, I understand that “commonly accepted professional ethics and best practices for public library management” is an additional qualifier of the Board’s intentions. By this, if an issue arises which I believe my response would be judged ethical and prudent but for some reason inconsistent with common practices in public libraries; I would not necessarily have the authority to proceed.

REPORT (COMPLIANT): The implementation of the above measures is incorporated into specific monitoring reports provided to the Board on each of the other Management Limitations policies. I therefore am focusing this response on this policy provision proscribing against any “unlawful” actions or situations.

I can report compliance.

BROADEST POLICY PROVISION

With respect to interactions with patrons, the Executive Director shall not cause or allow conditions or procedures which are unfair, unsafe, disrespectful, unnecessarily intrusive, or which fail to provide confidentiality in use of facilities and resources, and which fail to provide a high level of customer service.

EXECUTIVE DIRECTOR’S INTERPRETATION: I understand this to mean that the Library may not operate without having and enforcing specific policies that clarify patron rights and staff actions toward patrons. The Executive Director, staff and legal counsel review the policies as needed.

REPORT: The Library requires regular reporting from all units on these elements. Initial and follow-up reports are issued to Management for review or action.

- 1. I shall not elicit and maintain patron information for which there is no clear necessity.**

EXECUTIVE DIRECTOR’S INTERPRETATION: It is our responsibility to protect the patron’s privacy in their use of the library, its programs and services, neither requesting nor maintaining information (visual, written or otherwise) about our patrons beyond that either required by law or business necessity.

REPORT (COMPLIANT): We are committed to keeping information about an individual’s use of the library only as long as needed in order to provide Library services. Full and current guidelines for the public will be posted on the JCPL website and updated when and as conditions change.

Colorado State law (CRS 24-90-101 et seq.) requires that we treat as confidential information about materials users check out, information they access, and their use of the library. CRS 24-73-101, 102, 103 requires that we keep patron personally identifiable information secure and properly dispose of this information.

I can report compliance.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

- 2. I shall not collect, review, transmit, store or destroy patron information in a manner that fails to protect against loss of or improper access to that information.**

EXECUTIVE DIRECTOR’S INTERPRETATION: It is my interpretation that we must ensure that the documents or online gathering of patron data are handled in a manner, from collection until destruction, that avoids inappropriate access or loss of such data.

REPORT (COMPLIANT): We are committed to keeping information about an individual’s use of the library only as long as needed in order to provide Library services. Full and current guidelines for the public will be posted on the JCPL website and updated when and as conditions change.

Colorado State law (CRS 24-90-101 et seq.) requires that we treat as confidential information about materials users check out, information they access, and their use of the library. CRS 24-73-101, 102, 103 requires that we keep patron personally identifiable information secure and properly dispose of this information.

I can report compliance.

- 3. I shall not fail to maintain facilities that provide a reasonable level of privacy, both aural and visual, and that are reasonably free from public distraction and disturbance.**

EXECUTIVE DIRECTOR’S INTERPRETATION: Our libraries are designed and managed to serve large populations of users at one time. As such, the library provides many venues for quiet reading and study, computer privacy, individual and group study space, etc. All libraries have spaces and/or equipment to assist with this and staff is instructed to assist patrons with finding a suitable work environment that meets their needs.

REPORT (COMPLIANT): Library programs and services are designed to ensure patron privacy in the use of the library. As new technologies and services are added to our program of service, operational activities are vetted between library staff and the Director of Public Services. When space limitations exist, every effort is made to ensure as much patron privacy as possible.

I can report compliance.

- 4. I shall not fail to maintain the confidentiality of a patron’s use of the JCPL and patron record except as required by law.**

EXECUTIVE DIRECTOR’S INTERPRETATION: Records of patrons’ usage of the Library will not be divulged except when necessary for normal library operations or as provided for in CRS 24-90-119, “Privacy of User Records.” I have been designated “Custodian of Library Records” by the Board and can make reasonable exception to this requirement.

REPORT (COMPLIANT): We are committed to keeping information about an individual’s use of the library only as long as needed in order to provide Library services. Full and current

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

guidelines for the public will be posted on the JCPL website and updated when and as conditions change.

Colorado State law (CRS 24-90-101 et seq.) requires that we treat as confidential information about materials users check out, information they access, and their use of the library. CRS 24-73-101, 102, 103 requires that we keep patron personally identifiable information secure and properly dispose of this information.

I can report compliance.

- 5. I shall not fail to ensure that patrons receive prompt, courteous service from competent, well-trained staff.**

EXECUTIVE DIRECTOR'S INTERPRETATION: Educational and training requirements for knowledge, skills and customer service are required and provided to effect useful and respectful service toward our patrons.

REPORT (COMPLIANT): The Library ensures that all hires possess the required education, training and experience for their jobs and have the training required to successfully fulfill their job requirements. Mechanisms are in place for patron complaints and compliments.

I can report compliance.

- 6. I shall not fail to set and convey the policies for the use and circulation of library materials; fines/charges for damaged or lost items; a fee schedule for non-basic Library services; and policies for the use of bulletin boards and meeting/study rooms.**

EXECUTIVE DIRECTOR'S INTERPRETATION: Policies are in place that effectively direct public use of materials, resources, and facilities, so that all patrons can use our libraries and resources in a reasonable and responsible manner. We inform patrons of these policies. Staff is also versed in the policies such that they can address and discuss them with patrons.

REPORT (COMPLIANT): All of the library policies regarding library use are reviewed and updated as needed.

I can report compliance.

- 7. I shall not fail to enforce clearly articulated policies regarding content and control standards for Internet use and safety.**

EXECUTIVE DIRECTOR'S INTERPRETATION: Internet use policies derive largely from state law, as interpreted by the Library and attorney. Access to internet sites complies with filtering as required by law and Board-directed library policy. Staff and the public are made aware of these policies so that user and staff expectations are clear. Staff is trained to recognize non-compliant use and intervene if necessary.

REPORT (COMPLIANT): Our principal responsibility is to be compliant with state statute and

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

Library Board direction within the limits of technology.

I can report compliance.

- 8. I shall not fail to convey that parents, guardians or caretakers are responsible for monitoring the activities and library use and controlling the behavior of children or other persons requiring supervision during their library visit.**

EXECUTIVE DIRECTOR’S INTERPRETATION: It is my understanding that we have a responsibility to inform parents/guardians/caretakers that it is their responsibility, not the Library’s, to control use and provide reasonable supervision to their children or charges when visiting/using the library. Staff is directed to intervene when inappropriate or illegal behaviors/actions interfere with or disrupt others’ use of the library and its resources.

REPORT (COMPLIANT): Norms and practices in the Library’s Code of Conduct have been developed to assist staff in making these decisions. We also have our Code of Conduct posted on our website and will print it when asked by our public.

I can report compliance.

- 9. I shall not fail to inform patrons, when appropriate, of this policy, and to provide an open, accessible patron comment process.**

EXECUTIVE DIRECTOR’S INTERPRETATION: It is my understanding that we must inform patrons of library policies that concern and/or protect their use and rights in the library. As well, we must provide a patron comment process so that patrons have the opportunity to express their concerns to administration and management.

REPORT (COMPLIANT): The library uses several means by which to solicit and engage in patron comment including personal interactions with staff, electronic and print comment forms, an open-door process for the public to speak with management or administration, electronic and telephone communications and electronic options on the website. We also have our policies posted on our website and will print them when asked by our public.

I can report compliance.

- 10. I shall not fail to take appropriate steps to safeguard the safety of library patrons.**

EXECUTIVE DIRECTOR’S INTERPRETATION: I understand that this provision requires me to develop and implement policies and practices to ensure patron safety.

REPORT (COMPLIANT): We strive to maintain a high level of patron safety conditions. To confirm our safety standards, key staff along with local law enforcement conduct safety audits of public use areas. We also maintain and use safety/emergency mechanisms such as fire extinguishers and sprinklers, detection and alarm systems, AEDs and surveillance cameras. As well, each library establishes a working relationship with their local law enforcement agencies. The

library's Person-In-Charge program trains staff to assist with patron safety be it physical safety, threat or medical.

BROADEST POLICY PROVISION

With respect to the treatment of staff and volunteers, the Executive Director shall not cause or allow conditions that are unfair, unsafe, disrespectful or inconsistent with the Jefferson County Personnel Rules, by which the Library abides.

EXECUTIVE DIRECTOR INTERPRETATION: The Board has comprehensively addressed this policy in the provisions below. My interpretations and reporting data are appended below.

Accordingly, pertaining to staff, I shall not:

- 1. Operate without a written personnel manual, which clarifies personnel rules for staff.**

EXECUTIVE DIRECTOR INTERPRETATION: The Library must have in place a personnel manual that sets forth the rules and policies regarding employment with the Library.

REPORT (COMPLIANT): The Library uses the Jefferson County Personnel Rules for our personnel manual.

I can report compliance.

- 2. Fail to provide staff with avenues for non-disruptive, internal expression of opinions.**

EXECUTIVE DIRECTOR INTERPRETATION: I understand this policy to mean that staff must know and be allowed to freely express their support, opposition, and concerns with the Library’s policies and practices without fear of reprisal, and in accordance with the rules and regulations established in SB22-230.

REPORT (COMPLIANT): New Library staff members are made aware that open and honest communication is encouraged at Jefferson County Public Library during their orientation process, and long-standing staff members are aware of this through administrative and management messaging. Jefferson County Public Library is an Equal Opportunity Employer and does not tolerate discrimination and harassment. The Library recruits, hires, trains and promotes employees without regard to race, color, religion, sex, national origin, age, disability, sexual orientation or any other status protected by Federal or State law. The Library will not tolerate retaliation for opposing

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

discrimination and harassment. The Library adheres to a formal complaint process, which is available to staff, through Jefferson County Personnel Rules.

I can report compliance.

3. Fail to acquaint staff with these Federal, State and County laws and Library policies.

EXECUTIVE DIRECTOR INTERPRETATION: It is my responsibility to ensure that all staff is informed of these policies.

REPORT (COMPLIANT): These policies are available online, on the staff intranet or included in the personnel manual and staff has access to them.

I can report compliance.

4. Allow staff to be unprepared to deal with emergency situations.

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that staff will be informed and trained on emergency policies and practices and appropriate staff will be trained to deal with emergency situations.

REPORT (COMPLIANT): The Library schedules regular Person-In-Charge (PIC) trainings where staff receives additional training for emergency situations. In turn, all libraries have a trained “Person in Charge” (PIC) on duty during hours of operations. Director-level staff are available to serve as the Senior PIC where immediate assistance and direction is provided to the location/library PIC, staff and law enforcement. Further, all incidents are reported and evaluated, to improve future response. Additional support and training is provided by subject-matter experts as needed to prepare staff to respond to specific circumstances.

I can report compliance.

POLICY TYPE: MANAGEMENT LIMITATIONS

POLICY 2.3

POLICY TITLE: *FINANCIAL CONDITION AND ACTIVITIES*

MANAGEMENT LIMITATIONS

Initial Monitoring on Policy 2.3: *FINANCIAL CONDITION AND ACTIVITIES*

I hereby present my monitoring report on your Management Limitations policy 2.3 “Financial Condition and Activities”, in accordance with the monitoring schedule set forth in Board policy. I certify that the information contained in this report is true.

Signed:  , Executive Director

Date: March 21, 2024

BROADEST POLICY PROVISION

With respect to financial condition and activities, the Executive Director shall not cause or allow the development of fiscal jeopardy, or a material deviation of actual expenditures from the Library Board’s Ends priorities.

EXECUTIVE DIRECTOR INTERPRETATION: The Board has comprehensively interpreted this policy in the provisions below. My interpretations and reporting data are appended below.

Accordingly, I shall not:

- 1. Exceed the Library’s total expenditure authorization for operations or capital development.**

EXECUTIVE DIRECTOR INTERPRETATION: This requirement prohibits my spending on behalf of the library above the pre-set operations and/or capital development authorizations established by the Library Board and adopted by the Board of County Commissioners during the budget approval process. If circumstances arise where expenditure above the appropriated level is necessary, I must follow the budget transfer process or the supplemental appropriation process, outlined in the Library’s Budget Expenditure policy or the provisions of 4 below.

REPORT (COMPLIANT): The Library’s expenditure is reviewed monthly against the total amount authorized and reported in the financial statement. This report discloses year-to-date and projected expenses to the end of the year and is included in the monthly Board reports for informational and review purposes. It also includes any required requests and processes for budget transfers when circumstances arise that require expenditures above the appropriated amount.

I can report compliance.

- 2. Incur debt (with exception of procurement cards, which are to be paid in full when due).**

EXECUTIVE DIRECTOR INTERPRETATION: I understand that no library debt can be incurred without the approval of the Library Board other than short-term procurement card debt, which must always be paid when due. The Library Board can authorize debt as defined in the “Library Law,” or by entering into long-term capital debt by other means.

REPORT (COMPLIANT): Monthly financial statements issued by the Finance division

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

demonstrate all outstanding obligations which would show any debt as part of the report. These reports are compiled and reviewed monthly by the Library Board.

I can report compliance.

3. Fail to get Library Board approval for:

A. Use of the Library Fund

EXECUTIVE DIRECTOR INTERPRETATION: Accordingly, expenditures that have not been approved by the Board cannot be made in advance.

REPORT (COMPLIANT): Monthly financial reports regularly report compliance with this limitation. Requests come before the Board when its approval is required for an expense change.

I can report compliance.

B. Use of Fund Balance

EXECUTIVE DIRECTOR INTERPRETATION: This limitation requires Board review and approval before any use of fund balance can take place, with the exception of automatic working capital drawdowns until tax collection proceeds are posted to our fund.

REPORT (COMPLIANT): All use of reserves (and requests for use of reserves) is shown on budget development plans or financial reports, which are reviewed and approved by the Board.

I can report compliance.

C. Adding any salaried staff positions. This means that no new standard FTE positions beyond currently authorized positions can be added unless they are recommended by me and approved by the Library Board according to their authority under Colorado Library Law.

EXECUTIVE DIRECTOR INTERPRETATION: This means that no new salaried positions can be added unless they are recommended by me and approved by the Library Board.

REPORT (COMPLIANT): I review and act upon all requests for staffing changes which are reported in my monthly reports and in the annual budgeting process.

I can report compliance.

4. Authorize transfers of greater than \$100,000 among line items and categories within the operational fund.

EXECUTIVE DIRECTOR INTERPRETATION: Budget transfers less than \$100,000 between expense lines are allowed without board approval but non-emergency transfers greater than \$100,000 require Board authorization. The Executive Director may authorize transfers in excess of

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

\$100,000 when an emergency situation exists and must inform the Board about all emergency transfers as soon as practical.

REPORT (COMPLIANT): All budget transfers follow the above guidelines, and any transfers are reported in the monthly financial statements.

I can report compliance.

5. Fail to settle payroll obligations and payables in a timely manner.

EXECUTIVE DIRECTOR INTERPRETATION: This means that we must process all payables in as timely a manner as possible if not in accordance with the vendor's dictates. Payrolls are processed in accordance with County policy.

REPORT (COMPLIANT): Payables are processed in a timely manner, normally weekly. With regard to payroll, all staff is paid bi-weekly, pay periods end every other Saturday and paydays are every other Friday.

I can report compliance.

6. Allow payroll or other tax payments or other government ordered payments or filings to be overdue or inaccurately filed.

EXECUTIVE DIRECTOR INTERPRETATION: The schedules of tax payments to other government units are strictly observed. The principal payment is payroll taxes.

REPORT (COMPLIANT): Payroll taxes are paid by the County as part of normal payroll practice and are reflected in our financial statements.

I can report compliance.

7. Expend more on a capital project than the amount previously authorized by the Board.

EXECUTIVE DIRECTOR INTERPRETATION: This means that capital project expenditures greater than approved must not occur without Board approval. However, small transfers (being no more than 10% of the total cost of the project or \$100,000, whichever is less) between individual project funds may be necessary, as they are completed.

REPORT (COMPLIANT): Monthly capital projects reports show the comparison between budgeted and actual expense of each project.

I can report compliance.

8. Acquire, encumber, lease or dispose of real property.

EXECUTIVE DIRECTOR INTERPRETATION: By statute, the Library Board is the only authority empowered to hold and acquire property. This means that all decisions regarding real

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

property and buildings, whether owned or leased, must be reviewed and approved by the Board.

REPORT (COMPLIANT): The Library Board holds the authority for acquiring property. The Library Board approves all leases, disposals and acquisitions of real property. The Library Board also approves all issues of debt which could encumber real property.

I can report compliance.

9. Accept gifts or grants from sources that are not, in fact and appearance, legal and consistent with the mission and values of the library.

EXECUTIVE DIRECTOR INTERPRETATION: This means that the Library (nor I on behalf of the Library), cannot accept any gifts or grants when they appear to be inconsistent with our mission and role.

REPORT (COMPLIANT): Through the Agreement between the Library and the Jefferson County Library Foundation, some gifts to the Library are processed through the Foundation. These require Library review. Gifts or grants processed through the Library require executive director or designee review. The Library retains the right to specify the disposition of any gift.

I can report compliance.

10. Fail to pursue material receivables after a reasonable grace period.

EXECUTIVE DIRECTOR INTERPRETATION: This means that we must take action to recover material receivables. Material receivables are defined as accounts with an accumulation of overdue payables in the amount greater than \$500.00 for over 28 days.

REPORT (COMPLIANT): Accounts over \$500.00 and over 60 days overdue are notified and informed of the need to submit payment. Accounts past due over 90 days may be sent to collection.

I can report compliance.

11. Fail to exercise adequate internal controls over receipts and disbursements to avoid unauthorized payments or material dissipation of assets.

EXECUTIVE DIRECTOR INTERPRETATION: This means that we must have in place a process of checks and balances to maintain accountability both for payments and for inventory control.

REPORT (COMPLIANT): All payments by the Library are subject to multiple reviews by staff so that payments are only made for goods and services that the library has decided upon. If there are discrepancies, processing stops until a review can determine the validity of the claim. Inventories of equipment and supplies are carefully evaluated on a regular basis to ensure proper disposition of those assets.

I can report compliance.

POLICY TITLE: *ASSET PROTECTION***

POLICY 2.4

MANAGEMENT LIMITATIONS

Initial Monitoring on **Policy 2.4: *ASSET PROTECTION***

Signed:  , Executive Director

Date: March 21, 2024

BROADEST POLICY PROVISION

The Executive Director shall not allow the Library's assets to be unprotected, inadequately maintained or unnecessarily risked.

EXECUTIVE DIRECTOR INTERPRETATION: The Board has comprehensively interpreted this policy in the provisions below. My interpretations and reporting data are appended below.

- 1. I shall not fail to ensure against theft and casualty losses to at least replacement value, including coverage for Library materials, works of art, mechanical systems, computer equipment and systems, property while in transit, donated items, items not owned by the Library on exhibit/display and all Library facilities, including those buildings not open to the public (Administration, the Library Service Center and Support Services).**

EXECUTIVE DIRECTOR INTERPRETATION: I understand this provision to mean that the library must have in place a means to ensure against significant loss as expressed in any of the manners above. As well, we must be responsive to the changing value of said items, to changing conditions of risk, and to changes in insurance practices and law.

REPORT (COMPLIANT): The library's insurance program is part of the County's Risk Management program, and we contribute to the pool of coverages as specified by that Department. Some of those coverages are self-insured within the pool and some are purchased from agencies, as appropriate. The Library can direct our specific requirements. The Library periodically commissions an independent consulting assessment of our needs and adjusts the county pool coverages as necessary.

I can report compliance.

- 2. I shall not fail to ensure against loss or damage to library facilities by implementing a disaster response plan.**

EXECUTIVE DIRECTOR INTERPRETATION: I understand this provision to mean that we must maintain a comprehensive program of disaster response to ensure that the Library facilities are protected from significant loss from natural or man-made disasters.

REPORT (COMPLIANT): The Library has a Continuity of Operations (COOP) plan in place that identifies goals and objectives during emergency situations and clearly defines the roles and responsibilities of each director and each division within the organization during an emergency. This plan insures protection of the library's assets, continuity of operations as well as a rapid

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

response and recovery. The plan identifies resources and establishes back-up systems required to maintain internal and external communications, business functions and library operations. The Continuity of Operations Plan (COOP) is updated as personnel changes require but no less than annually. Additionally, the Library is part of the County's Emergency Operations Center's plan.

This provision has one associated implication in Monitoring report 2.3 that establishes emergency spending limits in excess of \$100,000 for the executive director during a disaster.

I can report compliance.

- 3. I shall not fail to ensure against loss or damage to library computers, technology equipment and systems by implementing a security and replacement plan.**

EXECUTIVE DIRECTOR INTERPRETATION: In order to be compliant on this measure, we must have in place a security and replacement plan to ensure against loss or damage to the library's technological and communication resources and network.

REPORT (COMPLIANT): The Technology & Innovation division has addressed this in the Continuity of Operations Plan (COOP).

I can report compliance.

- 4. I shall not fail to ensure against liability losses to Library Board members, staff and the Library itself, including directors' and officers' liability and errors and omissions coverage, in an amount equal to or greater than the average for comparable organizations.**

EXECUTIVE DIRECTOR INTERPRETATION: This means maintaining a level of protection for Trustees and staff against liability claims while doing the work of the Library.

REPORT (COMPLIANT): Errors and Omissions coverage is a standard element in the Risk Management pool and provides protection for the Trustees and staff.

I can report compliance.

- 5. I shall not fail to ensure for general comprehensive on the Library's vehicles.**

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that we must have complete insurance protection for all vehicle operations.

REPORT (COMPLIANT): Complete vehicle operations insurance coverage is in place as part of the county pool and includes comprehensive, collision and liability coverage.

I can report compliance.

- 6. I shall not fail to ensure against employee theft and dishonesty.**

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that all library employees who handle cash or warrants must pass a sufficient background check prior to employment and that the library will maintain adequate internal controls to prevent or detect fraud.

REPORT (COMPLIANT): All employees who handle significant amounts of cash or warrants are covered under the County's crime policy which the Library participates in as part of the Risk Management pool. All library managers and finance staff are responsible for internal controls.

I can report compliance.

- 7. I shall not fail to maintain a system for the management of fixed and controlled assets that provides sufficient information for preparation of financial statements, ensures proper use, and provides for their maintenance, replacement and disposal.**

EXECUTIVE DIRECTOR INTERPRETATION: It is my understanding that this provision requires an asset management system that provides a high level of accountability and gives us the necessary information so that we can reflect an accurate value for fixed assets in our financial statements, track material controlled assets, dispose of fixed and controlled assets in conformance with CRS 24-90-109 (1) (i), and make good decisions about the use and management of library assets.

REPORT (COMPLIANT): The Library Finance division uses the County's procedure to track assets. Asset additions and inventory are reviewed annually with County staff. The Library disposes of assets in accordance with County policy. This requirement is covered under our asset management policy, Jefferson County asset valuation and inventory control practices, and CRS 24-90-109 (1) (i).

I can report compliance.

- 8. I shall not fail to maintain and utilize guidelines for the acquisition, lending and de-accession of art.**

EXECUTIVE DIRECTOR INTERPRETATION: It is my interpretation that the library must maintain art guidelines covering acquisition, de-accession, lending, maintenance and care.

REPORT (COMPLIANT): The Library's art guidelines recognize the special nature of the library's art collection. The Library maintains guidelines for art donations, acquisition, display, de-accession and lending of art.

I can report compliance.

- 9. I shall not fail to employ risk management practices to minimize exposure of the organization, its Board or staff to claims of liability.**

EXECUTIVE DIRECTOR INTERPRETATION: It is my interpretation that the library must maintain risk management practices that minimize and / or limit claims of liability against the library itself.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

REPORT (COMPLIANT): Risk management practices that work to reduce liability are part of the service we receive from County Risk Management. We implement those as directed and appropriate.

I can report compliance.

10. **I shall not allow any purchase wherein normally prudent protection has not been given against conflict of interest.**

EXECUTIVE DIRECTOR INTERPRETATION: I take this to mean that we must have practices in place that guard against staff and board members personally profiting from a procurement decision in which they participated.

REPORT (COMPLIANT): The Library's procurement processes have oversight procedures to minimize the possibility of conflict of interest. Our procurement manual reflects this provision, and it is posted on the Library's intranet. Also, Jefferson County has as part of the Personnel Rules, a "Conflict of Interest" policy which covers most significant issues of conflict, and which is applicable to all library staff. The library's Policy Governance practices ensure this same oversight for board members.

I can report compliance.

11. **I shall not allow for procurement practices which do not serve the best interests of the Library and are not consistent with best practices and Jefferson County Purchasing Guidelines.**

EXECUTIVE DIRECTOR INTERPRETATION: This provision requires that significant procurement decisions be competitive or otherwise made in the best interest of the library. Each such decision must demonstrate, as part of the procurement documents, to have been compliant.

REPORT (COMPLIANT): All procurements and purchases conform to this requirement and are documented in the procurement paperwork.

I can report compliance.

12. **I shall not fail to store and preserve Library records in accordance with a Records Retention schedule and program under the direction of the Jefferson County Records Management department.**

EXECUTIVE DIRECTOR INTERPRETATION: The library, as part of its normal practices must carefully preserve its operational history as reflected in its files and records.

REPORT (COMPLIANT): The library works with the County's Records Management department to develop retention schedules that are consistent with applicable statute and good business practices.

I can report compliance.

**GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY
BOARD OF TRUSTEES**

13. I shall not fail to protect intellectual property, information and files from loss, improper access or significant damage

EXECUTIVE DIRECTOR INTERPRETATION: I understand this provision to mean that internal documents, files and other operational information must be carefully protected from loss or damage and that access is limited to the terms of public records' statutes and business practices of confidentiality.

REPORT (COMPLIANT): Operational materials, records and resources are managed under basic business practices of confidentiality and security using available means to do so including locked files, electronic controls, password protection, document and data destruction, etc. Confidential files are kept under careful limits of access. Statutes define much of this process for us and we maintain an active understanding of applicable law.

I can report compliance.

14. I shall not receive, process or disburse funds under controls insufficient to meet the County appointed auditor's standards (as set forth in Management Letter and/or other correspondence).

EXECUTIVE DIRECTOR INTERPRETATION: This means that our financial controls and practices must be conducted in a manner consistent with applicable standards of accountability as required by law and County practices.

REPORT (COMPLIANT): Our financial practices are directed by law and County practices and our Finance division and staff follows these structures accordingly.

I can report compliance.

15. I shall not compromise the independence of the financial auditor or the Board's other external monitoring or advice, such as by engaging parties already chosen by the Board as consultants or advisors.

EXECUTIVE DIRECTOR INTERPRETATION: This provision serves to prevent audit contractors from auditing their own work. This is a practice that can diminish the value and the accuracy of audits and other financial reports. I understand that I must make such financial reporting decisions in a way that ensures independent and accurate audits.

REPORT (COMPLIANT): The County selects our external auditor; auditors that then proceed to evaluate our financial practices under commonly accepted standards and the terms of their contract. We have, from time to time, requested County approval for additional auditing services from the auditors, to help us document the value of some of our practices or to provide the Board with additional information. These requests are made and handled to ensure independent and accurate audits and are not in conflict with this policy provision.

I can report compliance.

**GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY
BOARD OF TRUSTEES**

- 16. I shall not endanger the organization’s public image, its credibility, or its ability to accomplish Ends.**

EXECUTIVE DIRECTOR INTERPRETATION: The Library’s public image and credibility are among its most valuable assets. I understand that a significant part of my work is protecting that asset, taking into account all of our fiscal, technical, informational, service and public relations activities.

REPORT (COMPLIANT): Much thoughtful work goes into our processes of service and support for the goals the community sets for itself. We can point to service outputs, productive partnerships, invitations to participate and other measures that we promote and maintain a positive image in the community.

I can report compliance.

- 17. I shall not change the organization’s name or substantially alter its identity.**

EXECUTIVE DIRECTOR INTERPRETATION: The name of this organization is Jefferson County Public Library. In this provision, the Board has determined that identity changes to the name Jefferson County Public Library of any kind must be reviewed and approved by the Board. I further take this to mean that the naming of individual buildings or significant elements of buildings is the Board’s prerogative.

REPORT (COMPLIANT): We maintain a careful observance of Board-established names and identities, while investigating the value of selective name changes when such changes can enhance the community’s understanding and/or support of our role and our work. In all cases the Library adheres to the Board’s naming policy.

I can report compliance.

POLICY 2.5

MANAGEMENT LIMITATIONS

Initial Monitoring on **Policy 2.5: *FINANCIAL PLANNING/BUDGETING***

I hereby present my monitoring report on your Management Limitations policy 2.5 “Financial Planning/Budgeting”, in accordance with the monitoring schedule set forth in Board policy. I certify that the information contained in this report is true.

Signed:  , Executive Director

Date: August 17, 2023

BROADEST POLICY PROVISION

Financial planning for any fiscal year or the remaining part of any fiscal year may not deviate materially from the Board’s Ends priorities, risk financial jeopardy, or fail to be derived from multi-year facilities and operating plans.

EXECUTIVE DIRECTOR INTERPRETATION: The Library presents a 5-year capital plan and a 10-year financial forecast for purposes of cash flow projections as part of our annual budget development. These projections are made to ensure our ability to meet operational objectives and Ends in the short term and in future years. As well, I may revise the budget as the fiscal year proceeds within the parameters established by Board policy.

Accordingly, the Executive Director shall not present to the Board for approval, nor operate with, a budget plan that:

1. **Does not conform to the County Commissioners’ budget development guidelines or fails to be derived from fiscally responsible five-year revenue projections, including those revenues projected by the County.**

EXECUTIVE DIRECTOR INTERPRETATION: Budget development is governed by the Library Trustees’ and the Board of County Commissioners’ annual guidelines. Short-term (5-year) revenue projections do not differ from those developed by the County Budget Office and the Library finance models, unless desired by the Library Trustees.

REPORT (COMPLIANT): The budget development process proceeds in accordance with County Budget Office guidelines.

I can report compliance.

2. **Risks incurring those situations or conditions described as unacceptable in the “Financial Conditions and Activities” Board policy, policy 2.3.**

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that the Library must operate within the established annual budget and in compliance with the other financial management policies described in Section 2.3.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

REPORT (COMPLIANT): Monthly financial reports demonstrate compliance.

I can report compliance.

- Omits credible projection of revenues and expenses, separation of capital and operational items and disclosure of planning assumptions.**

EXECUTIVE DIRECTOR INTERPRETATION: The Library's fiscal planning and management must have adequate data to support the credibility of its projections. This data takes the form of a 5-year cash flow projection based on County revenue and expense projections. This reporting is regularly reviewed by staff and the Trustees. Planning assumptions will be included in those reports and special report summaries are developed as necessary.

Library budgeting separates capital and operational expense as required by the County. The Library Board of Trustees' adopted Reserve Policy recognizes the financial importance of a stable and sufficient level of fund balance. Also, Trustee policy regarding the use of capital reserves (2.3.3B) limits capital project expense.

REPORT (COMPLIANT): Projections and assumptions that make up these types of fiscal reporting are reviewed regularly. The Trustees use these reports for budget development and oversight.

I can report compliance in developing projections and communicating and also in maintaining the Board approved Reserve policy.

- The Executive Director may not fail to ensure that the capital budget provides for the achievement of long-term Ends regarding library service within the County, as well as for construction, maintenance, replacement and financing of facilities.**

EXECUTIVE DIRECTOR INTERPRETATION: Capital planning for library service, construction, maintenance, replacement and financing of facilities is an ongoing activity that is reflected in the annual budget, in the Library's annual strategic priorities and in the five-year capital plan.

REPORT (COMPLIANT): Ends Statements and Five-Year Strategic Priorities assume the existence and implementation of a capital plan, revised and updated annually in accordance with the Library Board of Trustees' direction and the Board of County Commissioners' policy. Also, the library regularly updates its 5 and 10 year financial plan to reflect changes in conditions and priorities.

I can report compliance to the extent of available funding.

- Plans the expenditure for operations and debt service in any fiscal year according to the actual revenue amount projected to be received in the fiscal year.**

EXECUTIVE DIRECTOR INTERPRETATION: This means that we must plan for and monitor actual revenues and expenditures against our original budget estimates and adjust estimates

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

as necessary for changes in conditions.

REPORT (COMPLIANT): Monthly and annual reports compare actual results with the budget. Transfers or supplemental appropriations are made when necessary per “Financial Conditions and Activities” Board policy 2.3.

I can report compliance.

6. **Provides less for Board activities during the year than is set forth in the Governance Budget policy (see policy in Governance Process – 4.8).**

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that the Board establishes its budget for what it believes is important to invest in its own governance. The annual budget for the library allocates the amount stated in the Cost of Governance policy for Board functions.

REPORT (COMPLIANT): The Board determines its “Governance Budget” for each fiscal year and that amount is incorporated into each year’s budget.

I can report compliance.

Signed:  , Executive Director Date: August 17, 2023

BROADEST POLICY PROVISION

The Executive Director will not cause or allow jeopardy to the organization’s fiscal integrity or public image when dealing with employment, compensation and benefits for employees, consultants or contractors.

EXECUTIVE DIRECTOR INTERPRETATION: The Board has comprehensively interpreted this policy in the provisions below. My interpretations and reporting data are appended below.

Accordingly, I shall not:

1. Change my own compensation or benefits.

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that I cannot nor shall not attempt to change my compensation or benefits. All such changes and /or recommendations for change must be reviewed and approved by the Library Board, per policy 4.3.6.

REPORT (COMPLIANT): On my employment anniversary date the Board annually sets my compensation upon review of my response and adherence to the previous year's monitoring reports and my performance in the direction and leadership of the library. The Jefferson County Personnel Board sets the benefits for all county employees and mine are as established for Executive Officers / appointed and elected officials within the meaning of Jefferson County Government. These benefits can be changed only by the Personnel Board or the Board of County Commissioners. Any such change is overseen by the library’s and county’s Human Resources departments.

I can report compliance.

2. Unilaterally propose or establish a unique compensation and benefit practice and program that deviate from the library's established compensation practice.

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that I cannot nor shall not attempt to change the compensation or benefits of library staff without either a change in the library's established compensation philosophy and/or Trustee approval.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

REPORT (COMPLIANT): Any and all changes to staff compensation or benefits are in accordance with the library's established compensation practice, state and federal regulations, and County Personnel Rules. They are reviewed and approved by the Library Board when required by statute or policy.

I can report compliance.

- 3. Pertaining to consultants and contract vendors, create obligations over a longer term than revenues can be safely projected, in no event longer than one year.**

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that we must maintain control over our use of consultants and contract vendors by ensuring that expected revenue meets the financial obligations of any contractual services and by contractually limiting obligations for payments to the current fiscal year.

REPORT (COMPLIANT): All contract language includes the financial abilities and obligations of the library and the duration of service.-In practice, when it is in the library's interest to enter into agreements that last longer than the current year, our contracts provide for termination without any cause within a specified number of days or upon a circumstance of non-appropriation. Contract language is drafted or reviewed by the County Attorney's Office when appropriate to ensure adequate controls are established.

EXECUTIVE DIRECTOR INTERPRETATION: I understand this provision to mean that there are at least two management team members prepared to act in an interim capacity as Executive Director if I am not available so that library operations may continue until I return to work or a permanent replacement is named.

REPORT (COMPLIANT): In response to this provision, the positions of Director of Public Services and Director of Business Strategy and Finance are empowered and qualified to assist with the day-to-day operations and strategic projects of the library as well as to serve as, and perform the duties and responsibilities of the Executive Director in the absence of the Executive Director.

Date: August 17, 2023

BROADEST POLICY PROVISION

The Executive Director shall not cause or allow the Board to be uninformed or unsupported in its work.

EXECUTIVE DIRECTOR INTERPRETATION: The Board has comprehensively interpreted this policy in the provisions below. My interpretations and reporting data are appended below.

Accordingly, I shall not:

1. **Fail to report in a timely manner an actual or anticipated noncompliance with any policy of the Board.**

EXECUTIVE DIRECTOR INTERPRETATION: I interpret this provision to mean that issues of non-compliance are to be regarded by me as matters of priority. I will judge each issue as it arises and report as appropriate. Some will require immediate attention, and some may wait for the filing of a formal monitoring report. In any case, non-compliance must always be known by the Board.

REPORT (*COMPLIANT*): Monitoring reports are submitted annually with reporting of compliance or non-compliance. Matters of immediate attention are made known to the Library Board accordingly.

I can report compliance.

2. **Neglect to submit monitoring data required by the Board (see policy on Monitoring Executive Director Performance in *Board-Management Delegation*) in a timely, accurate and understandable fashion, directly addressing provisions of Board policies being monitored.**

EXECUTIVE DIRECTOR INTERPRETATION: This provision requires that monitoring reports will be submitted to the Board on their approved schedule and in a form that provides the Board with the necessary data.

REPORT (*COMPLIANT*): The review calendar has been established and is updated regularly and on schedule. Monitoring data and interpretation is provided according to the calendar schedule.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

I can report compliance.

3. **Let the Board be unaware of significant incidental information, such as anticipated adverse media coverage, threatened or pending lawsuits, or material external and internal changes. Notification of planned internal changes is to be provided in advance, when feasible.**

EXECUTIVE DIRECTOR INTERPRETATION: This provision requires timely notification from me to the Board when issues have arisen that significantly affect the Library. Since many such issues arise between normal Board reporting sessions, such as Board meetings, I must implement a process of notification to the Board as these occur.

REPORT (COMPLIANT): We have implemented a direct reporting process to the Board, via e-mail, that informs them as quickly as necessary on vital issues. The Library's Executive Director manages the communications process and delegates to the Director of Communications and Engagement, and other staff when appropriate. Such messages will be followed up in the regular meeting support reports, as necessary.

I can report compliance.

4. **Fail to advise the Board if, in the Executive Director's opinion, the Board is not in compliance with its own policies (*Governance Process and Board-Management Delegation*), particularly in the case of Board or Board member behavior that is detrimental to the work relationship between the Board and the Executive Director.**

EXECUTIVE DIRECTOR INTERPRETATION: I understand that I am required by this provision, to monitor all Board processes to ensure they conform to established policies. In addition, I will be aware to the extent possible, of individual Board members' activity for compliance with the Board's policies. My reporting of such issues will be to the Board Chair, unless it is a matter of an individual member. In such cases, I may choose to talk directly to the individual or to the Chair, as appropriate.

REPORT (COMPLIANT): When I or other Library staff become aware of activity that appears to be out of compliance, I take necessary action.

I can report compliance.

5. **Neglect to submit objective decision information required periodically by the Board, or let the Board be unaware of relevant trends.**

EXECUTIVE DIRECTOR INTERPRETATION: I understand that this provision requires me to provide all relevant information to the Board in support of their decision-making to ensure their objectivity. Further, I must have in place an information process that heightens the Board's ability to understand fundamental library issues and trends.

REPORT (COMPLIANT): Where the complexity of a topic justifies a special study session, we have implemented a two-stage process to provide the Board with background information and more focused information leading to decision-making. The current practice is to provide the background

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

information at these study sessions, primarily in reports from senior managers. The Board then questions and debates these issues, and revisions are prepared for the consent agenda at the regular Board meeting in support of a necessary decision. The Board then has the choice of deciding its course of action at that time or to defer its decision to the consent agenda at the next regularly scheduled Library Board meeting. Providing detailed information in the regular meeting packet and providing time for full discussion may be used as an alternative method.

I can report compliance.

6. **Present information in unnecessarily complex or lengthy form, or in a form that fails to differentiate among information of three types:**

A. **Monitoring**

EXECUTIVE DIRECTOR INTERPRETATION: Monitoring reports must be delivered to the Board according to the annual report schedule established by the Board and in a distinctive format and structure that is easily followed and understood.

REPORT (COMPLIANT): The monitoring report formats are established.

I can report compliance.

B. **Decision preparation (or “action item”)**

EXECUTIVE DIRECTOR INTERPRETATION: Where the complexity of the decision preparation justifies an in-depth study session, the preparation may follow either process described in #5 above. Both of these processes are reflected in the agendas for each meeting.

REPORT (COMPLIANT): Study sessions and regular meetings are used to provide background and additional information that is requested or needed.

I can report compliance.

C. **Incidental/ “FYI.”**

EXECUTIVE DIRECTOR INTERPRETATION: I understand that this reporting, typically of items not needing an immediate decision, may be presented by me or others during, after meeting adjournment or outside of scheduled meetings if necessary. If a reported issue later rises to the level of a required action, the procedures outlined in #5 above must be followed.

REPORT (COMPLIANT): We have implemented this reporting process and I regard it as effective, primarily in giving the Board the opportunity to discuss incidental issues without making a decision based on what could be insufficient information.

I can report compliance.

7. **Fail to provide support for official Board, officer or committee communications and**

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

functions, including but not limited to orienting new Board members to Library operations and services.

EXECUTIVE DIRECTOR INTERPRETATION: This provision requires me to provide a high level of communications support to official Board activities and functions as the Board goes about its governance business. I must also assist the Board as it develops its new member orientation program. Further, I must prepare and implement an operational orientation program that is consistent with the Board's own process.

REPORT (COMPLIANT): The Chair manages support for official Board communications and the required new member orientation program is in place.

8. **Fail, when addressing official Board business, to deal with the Board as a whole except when:**

A. **Fulfilling individual requests for information**

EXECUTIVE DIRECTOR INTERPRETATION: I understand this provision to require me to address official Board business with the Board as a whole. When reasonable requests for information come from individual Board members, I will respond according to my best judgment.

REPORT (COMPLIANT): Current practice has been for me to keep all members informed equally, unless it is a matter that involves an individual need. I have in the past, and expect in the future, to fulfill most such requests, refer them to the Chair, or supply an individual's request to the entire Board.

I can report compliance.

B. **Responding to officers, committees or individuals duly charged by the Board**

EXECUTIVE DIRECTOR INTERPRETATION: This important provision is in place as a key element in my work as the Executive Director. As the Board proceeds with its governance work, either as a committee as a whole or through such delegations as the Board may determine, it is my task to provide the most useful information and resources available.

REPORT (COMPLIANT): Processes are in place for the Executive Director and other staff members to supply information as needed or requested.

I can report compliance.

9. **Fail to supply for the Board's consent agenda, along with applicable monitoring information, all decisions delegated to the Executive Director yet required by law, regulation or contract to be Board-approved.**

EXECUTIVE DIRECTOR INTERPRETATION: I take this to mean that all decisions delegated to me that may be governed by Board policy, Jefferson County policy or state statute be referred to the Board for their action, via the consent agenda.

BROADEST POLICY PROVISION

To ensure the retention and preservation of materials with long-term value, the Executive Director shall not fail to ensure continual assessment and evaluation of the Library’s collection.

EXECUTIVE DIRECTOR INTERPRETATION: I understand that this provision requires me to have in place written and implemented practices that continuously assess the value of our material collections and make item by item decisions about retention and preservation for long-term value.

Accordingly:

- 1. The Executive Director shall not fail to ensure that the Library collection: Reflects the full spectrum of political, religious and cultural beliefs and practices of the residents of Jefferson County.**

EXECUTIVE DIRECTOR INTERPRETATION: Decisions about acquisition, deaccession and retention must be directed by a written set of guidelines, the implementation of which will ensure that the library’s materials will reflect a wide range of community interests, readership and intellectual endeavor. These guidelines further ensure that staff decisions will be supported when selection and retention decisions are made in terms of these guidelines.

REPORT (COMPLIANT): We have in place comprehensive guidelines to address these issues. They are managed by the library’s Collections Manager. I regard our collection management practices to be fully compliant with demonstrated success through multiple industry-approved data points.

I can report compliance.

- 2. Offers all library users in the community access to materials and resources that contribute to the free expression of ideas.**

EXECUTIVE DIRECTOR INTERPRETATION: I understand that equitable access to resources is the key element in having a materials collection. This means that all resources must be equitably available to all users and that effective systems are in place to ensure efficient and reliable access.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

REPORT (COMPLIANT): We offer complete access to material and electronic resources both physically and digitally. In addition, we provide cataloging that conforms to current standards making our collection accessible. Daily delivery among our libraries provides timely access to requested materials

I can report compliance.

3. Is offered in those formats that best meet the needs of various ages, reading levels, languages, cultural, informational, and educational interests in the community.

EXECUTIVE DIRECTOR INTERPRETATION: This provision requires me to have in place written and implemented guidelines to ensure that collection development practices will seek the best format(s) for any item added to the collection.

REPORT (COMPLIANT): Our collection development guidelines, managed by the Collections Manager, are implemented to guarantee that all material formats are represented in the collection, as appropriate. A careful balance is maintained among formats so that print, media, digital and other formats support the complete range of library use and users.

I can report compliance.

4. Supports the principles of intellectual freedom and avoidance of censorship.

EXECUTIVE DIRECTOR INTERPRETATION: I understand this to mean that the materials collection, taken together, supports the range of subject, content and format that is appropriate to the communities we serve. Each item added is a conscious decision regarding the principles of intellectual freedom. Related to that concept is the practice of applying the same principles to a request for removal of an item.

REPORT (COMPLIANT): We have policies in place, as part of our materials selection practices and binding upon all staff who participate in selection, to ensure that material selection decisions satisfy the standards of intellectual freedom. We will consider a request for removal or relocation but I require that the basic principles be observed and that intimations of censorship not be a factor in selection or requests for reconsideration.

I can report compliance.

2. The Library Board will not evaluate, either formally or informally, any staff other than the Executive Director.
3. The Library Board will view the Executive Director’s performance as identical to organizational performance, so that organizational accomplishment of Board stated Ends and compliance with Management Limitations will be deemed successful Executive Director performance.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

POLICY TYPE: BOARD–MANAGEMENT DELEGATION POLICY 3.3 **POLICY TITLE: *DELEGATION TO THE EXECUTIVE DIRECTOR***

The Library Board will instruct the Executive Director through written policies that prescribe the organizational Ends to be achieved, and describe organizational situations and actions to be avoided, allowing the Executive Director to use any reasonable interpretation of these policies.

Accordingly:

1. The Library Board will develop and maintain *Ends* policies instructing the Executive Director to achieve certain results, for certain recipients at a specified worth or priority. These policies will be developed systematically from the broadest, most general level to more defined levels. All issues that are not Ends issues as defined here are Means issues.
2. The Library Board will develop and maintain *Management Limitations* policies that limit the latitude the Executive Director may exercise in choosing the organizational means. These policies will be developed systematically from the broadest, most general level to more defined levels. The Library Board will not prescribe organizational means delegated to the Executive Director.
3. As long as the Executive Director uses any reasonable interpretation of the Library Board’s Ends and Management Limitations policies, the Executive Director is authorized to establish all further policies, make all decisions, take all actions, establish all practices and develop all activities. Such decisions of the Executive Director shall have full force and authority as if decided by the Library Board.
4. The Executive Director shall have the authority to enter into contracts in amounts not to exceed \$100,000.00. The Library Board shall approve any contract in excess of this amount. If the Executive Director is unavailable to sign a contract not exceeding \$100,000.00, the Director of Public Services shall have the authority to bind the Library.

3.3.4.1 The Executive Director shall maintain an ‘Authorized Signatory’ list, authorizing specific employees to sign contracts for amounts not exceeding \$50,000 and with a duration of less than one year.

5. The Library Board may change its Ends and Management Limitations policies, thereby shifting the boundary between Library Board and Executive Director domains. By doing so, the Library Board changes the latitude of choice given to the Executive Director. However, as long as any particular delegation is in place, the Library Board will respect and support decisions made by the Executive Director that are compliant with board policy.

**POLICY TITLE: *MONITORING THE EXECUTIVE DIRECTOR’S
PERFORMANCE***

The Library Board will systematically and rigorously monitor Executive Director job performance to determine the extent to which Ends are being achieved and whether operational activities fall within boundaries established in Management Limitations policies. Accordingly:

1. Monitoring is simply to determine the degree to which Library Board policies are being met. Information that does not address policy compliance will not be considered in the evaluation of Executive Director Performance.
2. The Library Board will acquire monitoring data by one or more of three methods:
 - A. By internal report, in which the Executive Director discloses, in writing, policy interpretations and compliance information to the Library Board
 - B. By external report, in which an external, disinterested third party selected by the Library Board assesses compliance with Library Board policies
 - C. By direct board inspection, in which a designated member or members of the Library Board assess compliance with the appropriate policy criteria.
3. In every case, the Library Board will judge whether (a) the Executive Director’s interpretation is reasonable, and (b) whether data demonstrate accomplishment of or compliance with the Executive Director’s interpretation.
4. In every case, the standard for compliance shall be any reasonable interpretation by the Executive Director of the Library Board policy being monitored. The Library Board is the final judge of reasonableness, and will always judge with a “reasonable person” test (what a reasonably prudent person would do in that context). When judging reasonableness, therefore, interpretations favored by individual board members or by the Library Board as a whole shall not constitute a “reasonable person” test.
5. Actions determined to be not compliant with a reasonable interpretation of Library Board policies will be subject to a remedial process agreed to by the Library Board.
6. All policies instructing the Executive Director will be monitored at a frequency and by a method chosen by the Library Board. The Library Board may monitor any policy at any time by any method but will ordinarily depend on the following routine schedule.

Accordingly:

1. Board committees are to help the Library Board do its job, not to help, advise or exercise authority over staff.
2. Board committees most commonly assist the Library Board by undertaking activities not delegated to the Executive Director, by preparing policy alternatives and implications for Library Board deliberation, or by performing specific monitoring functions. Board committees will normally not have direct involvement with current staff operations.
3. Board committees may not speak or act for the Library Board except when formally given such authority for specific and/or time-limited purposes. The Library Board will carefully state its expectations and committee authority (in the “Board Committee Structure” policy) in order not to conflict with authority delegated to the Executive Director.
4. This policy applies to any group formed by Library Board action, whether or not it is called a committee and regardless of whether the group includes Library Board members. It does not apply to committees formed under the authority of the Executive Director.

4.9.2 Capital and Controlled Asset Management Policy

Purpose: To comply with the Board of Trustees Governing Policy 2.4, Asset Protection:

The Library’s Executive Director shall not allow the Library’s assets to be unprotected, inadequately maintained or unnecessarily risked.

Item #7 under this governing policy states: “I shall not fail to maintain a system for the management of fixed and controlled assets that provides sufficient information for the preparation of financial statements, ensures proper use, and provides for their maintenance, replacement and disposal.”

In order to comply with this policy the Library shall follow the guidelines stated below:

1. The Library participates in the County’s physical inventory process. The Library shall permit a physical inventory of all Library fixed assets by County staff or contractors, depending on the County’s schedule. This is normally done annually. Most Desktop PC’s, laptops, tablets and copiers are not considered assets as their cost is less than \$5,000 each. However, the Technology & Innovation department maintains an inventory and replacement schedule for this equipment.
2. All asset additions, deletions and values are reviewed annually by the Finance office in cooperation with the County accounting office.
3. Reporting on the Library’s asset values may be provided to the Board of Trustees with the results of the annual Comprehensive Annual Financial Report (CAFR). Information on Library assets can be requested by the Board of Trustees at any time.

4.9.3 LIBRARY FUND RESERVE POLICY (Adopted August 15, 2019)

Background:

Jefferson County Public Library recognizes the importance of maintaining an appropriate and prudent reserve balance in the Library Fund. A minimum level of reserves gives the library the ability to maintain library service levels through an economic downturn and to respond to natural disasters and other unexpected events. A maximum level ensures that taxpayers receive library services close to the time when their taxes are paid.

Definitions:

Fund Balance

Fund Balance refers to the fund balance at the end of a fiscal year. This is the balance published in the Library's year-end financial tables and in the Library's balance sheet in Jefferson County's Comprehensive Annual Financial Report (CAFR) for the fiscal year.

Library Fund Reserve Balance

The Library Fund Reserve is the portion of fund balance that is available to meet current and future obligations. Reserve Balance equals Fund Balance less the portion of fund balance that is not spendable (prepaid expenses) and the portion that is committed for specific purposes. The calculation is:

Fund Balance
- Nonspendable fund balance
- Fund balance committed to sinking funds
- Fund balance committed to project carryover for the next fiscal year
<hr/>
= Reserve Balance

Library Fund Reserve Policy Statement:

The Library Board of Trustees has established the following goals for the Library Fund Reserve.

- The level of reserve balance that the Library strives to maintain is an amount equal to 16% of current year budgeted revenues.
- In addition, an amount equal to 9% of current year budgeted revenues is designated as an "uncertainty reserve".
- The maximum level of library fund reserve balance is 50% of current year budgeted revenues

If the Library's reserve is below the minimum level, the Library Board of Trustees will include a plan to build the reserve balance back up to minimum levels within a five-year period as part of the next year's approved budget and long-term financial plan.

If the Library's reserve balance is over the maximum level, funds over this amount will be used to fund one-time expenses such as those for capital projects or other one-time costs and may not be used to fund on-going operating expenses.

In order to ensure the 5 Year Capital Plan for Jefferson County Public Library has adequate resources to fund projects, the Board of Trustees adopts the following internal guideline regarding funding for capital projects:

- Designate a minimum of 4.5% of Property Tax Revenue each year to fund capital projects.

This internal guideline has been adopted by the Library Board of Trustees to recognize the financial importance of a designated revenue stream for capital projects. However, the Library Board of Trustees, reserves the right to adjust the percentage each year during the budget process as the Board believes to be in the best interest of the Library.

4.9.5 LIBRARY BOOKS AND MATERIALS BUDGET POLICY

Purpose: The Library desires to maintain a responsible level of access to books and materials for Jefferson County residents as defined by demand and use measures of holdings per capita, circulation per capita and annual turnover rate. Each year library staff will establish annual targets for these measures in relation to benchmarks of peer libraries with the aim of reaching the top 75th percentile over time. The annual budget for books and materials will be based on projections developed by the Finance office and Public Services to ensure continual progress toward this goal. The budget for books and materials will ensure that the amount budgeted will move the Library closer to the annual target.

The internal guideline for the budget for Library Books and Materials has been adopted by the Library Board of Trustees to recognize the importance of maintaining the investment in Library Books and Materials.

This guideline serves to ensure that the Library Board of Trustee’s Ends Statement #1 is met each year.

“All Jefferson County residents have equal opportunity to access information, resources, ideas and technology, and they are supported in using these resources.”

The Library Board of Trustees reserves the right to modify or adjust the policy each year during the budget process as the Board believes to be in the best interest of the Library.

Collection Direction

The Collection Development policy for JCPL supports the library's Mission, Vision and Values. JCPL recognizes that it is impossible to collect all library resources, from books to DVDs to e-books and e-audio, to online resources to technology devices and so much more. Limited physical space and a finite budget guide what we can purchase. JCPL selects diverse materials for our

community for their interest, information and pure joy of reading, listening and viewing. JCPL regards its collection as one shared collection, distributed between its various locations and online and created to build an educated and vibrant community.

JCPL builds its collection with the principles stated in the following:

- American Library Association's Bill of Rights
- Freedom to Read
- Freedom to View
- First Amendment of the Constitution of the United States
- CRS Title 24, Article 90, Section 24-90-122: Concerning Standards that Public Libraries are Required to Include in Policies Regarding Library Resources.

Intellectual Freedom and Material Selection

JCPL fully supports and believes in the freedom of information for all and therefore does not practice censorship. JCPL does not endorse the beliefs or views expressed in the materials selected. Selection of an item does not imply JCPL's endorsement of the viewpoints expressed. Materials may be controversial, and any given item may offend some person. The selection of material is not made based on anticipated approval or disapproval. The merits of the materials along with collection needs, drive selection. Materials may be excluded from the collection according to our general selection criteria. Materials may contain mature content, questionable and/or coarse language and different viewpoints.

JCPL respects each individual parent/guardian's right to supervise their children's choice of materials, but the library does not serve in loco parentis (in place of the parent). It is the parent(s) or guardian(s) responsibility to guide their own children in using and accessing library material. Selection of materials will not be affected or influenced by the possibility that materials may come into the possession of children. Material will not be marked, identified or sequestered to show approval or disapproval.

Comments from Jefferson County residents concerning JCPL's collection are welcome.

Scope of Collection

Our libraries have high-interest materials in various physical and digital formats supporting all areas of the collection. The materials available at each location may differ. JCPL's collection in its entirety is available to all residents of Jefferson County. A library for all has a collection for all, with the expectation that not every item in the collection will appeal to everyone.

Collection Selection

JCPL's Board of Trustees entrusts the evaluation, selection and curation of materials in its collection, both on our shelves and online, to designated staff. Staff use the Collection Development Policy along with their training, expertise and professional tools in the selection of materials in all formats. JCPL strives to curate a collection of diverse viewpoints and interests.

General Selection Criteria

JCPL seeks to develop and curate an outstanding collection that will fulfill the informational and recreational needs of Jefferson County residents. Customer use data influences what we select and retain in our collection. This data, combined with factors such as author reputation, content,

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

currency and lasting value, guide our selection and deselection decisions. Additionally, we seek to provide materials reflecting a variety of perspectives, beliefs and needs. Not all the criteria listed must be met to select an item for the collection and no one criterion will be the deciding factor. Materials purchased for the collection are not an endorsement by JCPL of either the content or the authors' viewpoints.

The number of physical and digital copies of a title purchased varies with the interest in that title. Individual titles are monitored, and additional copies may be purchased to meet demand.

JCPL makes the final decision on acceptance, use or disposition. Gift materials not added to the collection will be repurposed, resold, recycled or put to other uses.

Any author or publisher that contacts JCPL directly to promote their material for inclusion in our collection will be directed to the JCPL's [Purchasing Guidelines for Authors](#).

Memorials are created when money is donated to add books or other materials to the collection. JCPL welcomes suggestions for purchases but reserves the right to make the final decision regarding all materials added to our library collection. Memorial bookplates can be added to the items purchased as requested.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

POLICY TYPE: GOVERNANCE PROCESS

POLICY 4.10.1

POLICY TITLE: *RECONSIDERATION OF LIBRARY RESOURCES*

Jefferson County Public Library's (JCPL) Mission, Vision and Values are at the center of how we support our diverse population with the Library resources we select, the exhibits and displays we share, and the programs we present.

JCPL serves as the center for voluntary inquiry and the dissemination of information and ideas that help build an educated and vibrant Jefferson County community. Library resources, displays, exhibits and programs are provided for the interest, information and enlightenment of the community and should present diverse points of view, creating a library for all.

JCPL fully supports and believes in the freedom of information for all and therefore does not practice censorship. Selection of an item or presentation of a program does not imply JCPL's endorsement of the viewpoints expressed. The library's varied resources are available to all; however, it is not expected that every resource will appeal to everyone. The selection of material is not made on the basis of anticipated approval or disapproval. It is the responsibility of a public library to challenge censorship in the fulfillment of its responsibility to provide information and enlightenment.

The library does not serve loco parentis (in place of the parent). It is the parent(s) or guardian(s) responsibility to guide their own children in using and accessing library material. Selection of materials will not be influenced by the possibility that materials may come into the possession of children. Material will not be marked, identified or sequestered to show approval or disapproval.

JCPL's selection, retention and exclusion of materials and programs complies with the provisions of C.R.S. 24-90-122 and JCPL Collection Development Policy.

Procedure for Requesting Reconsideration

The Jefferson County Public Library Board of Trustees established this reconsideration policy in accordance with CRS Title 24, Article 90, Section 24-90-122: Concerning Standards that Public Libraries are Required to Include in Policies Regarding Library Resources.

Comments and questions from Jefferson County residents concerning resources currently owned in JCPL's collection, or displays, exhibits and programs currently presented are welcome. Many of the questions can be answered through conversations with library staff members. Information about our material selection process is contained in JCPL's Collection Development Policy.

For those rare instances when a conversation will not suffice, Jefferson County residents can continue to the more formal process of requesting a reconsideration of library resources.

Please note this Request for Reconsideration of Library Resources & Programming form is not considered a library user record as per Colorado Library Law (CRS 24-90-101) but instead is an open record under the Colorado Open Records Act (CORA) (CRS 24-72-201 to 206) and will be requestable as an open record under CRS Title 24, Article 90, Section 24-90-122 Concerning Standards that Public Libraries are Required to Include in Policies Regarding Library Resources.

GOVERNING POLICY OF THE JEFFERSON COUNTY PUBLIC LIBRARY BOARD OF TRUSTEES

Any Reconsideration of Library Resource Form, therefore, is available in its entirety to anyone who requests access.

Any Jefferson County resident who would like to start a formal review of a JCPL title, display/exhibit, or program will need to request a Reconsideration of Library Resources and Programs form from staff at any of our locations. A review by designated JCPL staff will be conducted. All responses will be made within 30 days. In compliance with CRS 24-90-122 (3)(e)(I), once a final determination has been made for a library resource the determination and how it comports with this policy will be made public by including the title and final determination in the Executive Director's report to the Board.

Only Jefferson County, Colorado, residents may submit a request for reconsideration form. The form must be filled out completely to be reviewed, and only one resource (title, display/exhibit or program) may be submitted per form. During the entirety of the reconsideration process, the resource in question or the display/exhibit will not be removed from the collection. Programs will continue as scheduled. Patrons are limited to a maximum of 4 reconsideration requests in a calendar year. Once a title, display, exhibit or program has been reviewed by JCPL, the response rendered is final and the library resource is not eligible for review again until two years after the date of the final decision per CRS Title 24, Article 90, Section 24-90-122: Concerning Standards that Public Libraries are Required to Include in Policies Regarding Library Resources.
