# You've Always Loved the Library

Maybe that love started when you were a kid and fueled your imagination in the stacks.

Maybe as a teen, you found solace and belonging among the creativity.

Perhaps as an adult you've rediscovered programs and events that stoked the flames of your lifelong love of learning.

Regardless of why you love the library – you just do. You want to live in a community of learners and readers. You find joy in the stacks, and want to share it. You are fortunate to be in a place in your life where you can help bring that joy to others and shape the kind of community you want to live in by ensuring that it always has a library.

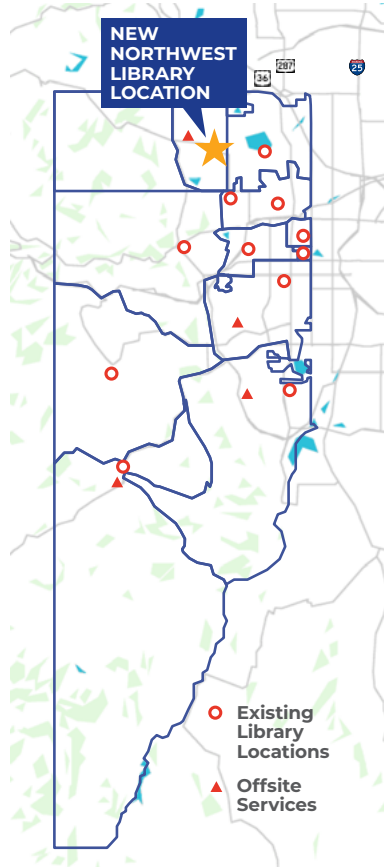

# With A Library, A Community Forms

Northwest Jefferson County is a growing area with limited access to library services.

The expected growth rate for this area of Jefferson County is 36%, outpacing the 9% growth rate for the rest of the county.

Today, 10,800 households reside in this largely underserved area. By 2030, that number is expected to grow to 14,700.

This destination library will serve the needs of thousands of households and provide the resources this newly emerging community has yet to develop.

## OUR NEW SITE

This 9.4-acre parcel of land, located between Wilkerson Ct., 92nd Dr., and Candelas Pkwy., will house the 30,000 sq. ft. Northwest Jefferson County Library. The location has sweeping views, convenient access and plenty of space to explore outdoor connection.

# Why Give Now

There are three distinct times to give to a major library project:

## BEFORE DESIGN

This is when everyone is dreaming of what's possible! Could your gift be the difference between a modest space and a spectacular one? Could you bring something innovative and amazing to your community? That's now, before the program of service is finalized and the design starts.

## IN DESIGN

At this point we'll know what spaces are planned and what programming the community wants/needs. This gives you the opportunity to make those spaces a little better, a little nicer. If you want the special reading nook named for your granddaughter, this is the time to make a donation.

## DURING CONSTRUCTION AND AFTER

Named gifts, buildings enhancements (Sculptures! Benches! Patios!) or next phase add ons, these all happen after construction has begun. These add special elements and can enhance the space to make it feel unique to the community.

## Ways to Give

Individual donations are always welcome. Every little bit counts. Donations ranging from \$100 to \$999 will be recognized on Northwest Jefferson County Library's donor sign and in the Library Foundation's annual reports.

### ONLINE

Donations are available online at [ColoradoGives.org/Donate/JeffCoLibrary](https://ColoradoGives.org/Donate/JeffCoLibrary). Select Northwest Library from the drop-down menu under "Designation."

### IN PERSON

Interested in having a conversation about giving? These things are often best over a cup of coffee. So, let's talk. Contact **Jo Schantz Hall** at **303.403.5075** or [jo@jeffclfb.org](mailto:jo@jeffclfb.org) to set a time to talk about the possibilities.
