## ALL COMPUTER CLASSES ARE FREE.

Registration is required.  
Register at the Library, **MyJCPL** mobile app, [jeffcolibrary.org](http://jeffcolibrary.org) or **303.235.5275**.

When you register online, click **Events > Technology Classes**, then select a class. Classes run 90 minutes.

# CLASS DESCRIPTIONS

## **CLOUD STORAGE: FOUNDATIONS**

What is “the cloud” and how do you use it? Learn what this technology, how to use it, and how to clean out your storage. Personal device not required.

## **CODING WITH SCRATCH**

Want to learn to code, but not sure where to start? Come learn some of the basics with this fun and beginner-friendly class. Personal device not required.

## **COMPUTER FOUNDATIONS: CLEAN YOUR DIGITAL CLUTTER**

Get your computer files and emails organized! Learn how to search your files, create folders and subfolders, rename items, move documents, and create an organization system. Personal device not required.

## **COMPUTER FOUNDATIONS: NAVIGATING THE INTERNET**

Wherever you are in your knowledge of the internet, come join us for tips on using the internet. Personal device not required.

## **COMPUTER FOUNDATIONS: USING YOUR MOUSE AND KEYBOARD**

Identify the parts of a computer. Practice using a mouse and keyboard on a laptop. Explore desktop tools and icons, learn how to navigate Microsoft Windows, review common tech terms. Personal device not required.

## **CYBERSECURITY AWARENESS**

Concerned about cyberattacks or identity theft? Come learn how to stay safe on the internet and protect yourself from cybercriminals! Personal device not required.

## **DATA PRIVACY**

Are you concerned about where your data is going, but don't know where to start? Come join us to learn about cookies, digital fingerprinting, privacy best practices, and more! Personal device not required.

## **DIGITAL PHOTO STORAGE: SNAP, SAVE, SIMPLIFY**

Cloud storage full? Drowning in digital photos? Or just want to simplify your photo management? Look no further: in this class we cover better photo storage strategies.

## **EVERYDAY ARTIFICIAL INTELLIGENCE (AI)**

Learn more about this emerging technology, its limitations, and its uses with hands-on experience! Personal device not required.

## **GETTING SMARTER WITH YOUR SMART DEVICE**

Learn to navigate and customize your device for your needs. Android and iOS (Apple devices) classes available: be sure to come to the appropriate class!

## **GOOGLE DOCS: FOUNDATIONS**

Learn how to use this free cloud program (similar to Microsoft Word) to create written documents, and then access your files from anywhere! Docs is great for sharing and collaborating with others. Personal device not required.

## **LIBBY, KANOPY, PRESS-READER, OH MY! LEARN ABOUT LIBRARY RESOURCES**

Did you know the library has streaming services? Ever wondered about how to download an audiobook? Interested in doing research on genealogy or local history? Whether you're new to Jefferson County Public Library or a long time patron, please join us and learn about the wealth of resources your library card gives you! Personal device not required.

## **TECH TIPS FOR STAYING ORGANIZED**

Utilize the power of technology to help organize your life! We'll share tips for using digital alarms, electronic calendars, notes, and bookmark manager to help you stay on top of life demands. Personal device not required.

## **TECHNOLOGY HELP SESSION**

Want to practice the skills you have learned in a library computer class? Come to this session and work at your own pace on your own topic. An instructor will be available to help with questions.
