Registration is required.
Register at the Library, **MyJCPL** mobile app, **jeffcolibrary.org** or **303.235.5275**.

When you register online, click *Events > Technology Classes*, then select a class. Classes run 90 minutes.

CLASS DESCRIPTIONS

COMPUTER FOUNDATIONS: CLEAN YOUR DIGITAL CLUTTER

Get your computer files organized! Learn how to search your files, create folders and subfolders, rename items, move documents, and create an organization system. Personal device not required.

CYBERSECURITY AWARENESS

Concerned about cyberattacks or identity theft? Come learn how to stay safe on the internet and protect yourself from cybercriminals! Personal device not required.

DATA PRIVACY

Are you concerned about where your data is going, but don't know where to start? Come join us to learn about cookies, digital fingerprinting, privacy best practices, and more! Personal device not required.

DIGITAL PHOTO STORAGE: SNAP, SAVE, SIMPLIFY

Cloud storage full? Drowning in digital photos? Or just want to simplify your photo management? Look no further: in this class we cover better photo storage strategies. Personal device recommended but not required.

JOB SEARCHING

Whether you're actively looking or considering making a change, level up your job search skills with free resources. Personal device not required.

LIBBY, KANOPY, PRESSREADER, OH MY! LEARN ABOUT LIBRARY RESOURCES

Did you know the library has streaming services? Ever wondered about how to download an audiobook? Interested in doing research on genealogy or local history? Please join us and learn about the wealth of resources your library card gives you! Personal device not required.

TECH FOR THE HOLIDAYS: AN INTRODUCTION TO THE WORLD OF CAMERAS

Shopping for an aspirational photographer? Not sure about the different types of devices they may be using? Join us as we cover some of the major varieties of cameras, their differences, parts, and what you need to know before you get ready for the perfect shot!

TECH FOR THE HOLIDAYS: HOLIDAY CARD MAKING

Holiday season is here, which means at least one thing: it's holiday card and letter season! Is the prospect stressing you out? Considering giving up? Come join us as we use Microsoft Word to make our own cards?

Personal device not required, but bring a flash drive or your email login to save your work.

TECH FOR THE HOLIDAYS: ONLINE SHOPPERS' GUIDE

Online shopping is something almost everyone does now, which makes finding the perfect deal easier—and sometimes harder. Come join us and learn about how to stay safe, strategies for searching, and resources for finding the best deal!

Personal device not required.

TECH FOR THE HOLIDAYS: TECHNOLOGY SHOPPING

Buying a new phone, computer, smartwatch, headphones, or other tech? Unsure of what to look for? Join this class and learn what you need to know to find the perfect device! Personal device not required.

TECHNOLOGY HELP SESSION

Want to practice the skills you have learned in a library computer class? Come to this session and work at your own pace on your own topic. An instructor will be available to help with questions.
